Season Preview Story

The standard has been set. It's time to raise it.

No Matter What.

Welcoming back nearly two-thirds from a roster that clinched Oklahoma State's fifth-consecutive Women's College World Series berth last year brings a sense of optimism that this year's group can once again compete at the game's biggest stage. Add in that tenth-year head coach Kenny Gajewski brought in *Softball America's* No. 2 ranked transfer class, and there's a legitimate claim that the Cowgirls of 2025 have as good of a chance as anyone to reach the final game.

The foundation for success is strong in Stillwater, but under Gajewski, the program has reached new heights. A look at the evidence:

- Oklahoma State is one of only seven programs in the NCAA era to reach five-straight Women's College World Series.
- Oklahoma State enters the 2025 season having been ranked in the top 25 of the NFCA poll in each of its last 330 games played.
- Since 2021, Oklahoma State has won 192 games, fourth nationally behind only Oklahoma, Florida State and UCLA.
- Since 2019, Gajewski has led Oklahoma State to a 120-16 record at home (.882).
- Under Gajewski, Oklahoma State has 21 All-Americans, 44 All-Region honorees and 46 All-Big 12 performers.

The Schedule

The Cowgirls will once again be battle-tested come May with 74% of OSU's 54 scheduled contests coming against opponents that finished the season ranked inside the top 75 of the ratings percentage index (RPI), including 25 games against 16 opponents that reached the NCAA tournament.

The season begins with 18 consecutive games on the road. The first four will be played at the Puerto Vallarta College Challenge in Mexico, with the Cowgirls slated to open against Florida State on February 6 before seeing Louisiana Tech and Northern Colorado on February 7 followed by a rematch against the Seminoles on February 8.

The Cowgirls travel back to the States for the top early-season tournament in the sport - the Shriners Children's Clearwater Invitational - which is set from February 14-16. The Pokes are slated to face UCLA, Kentucky, Texas A&M, Auburn and Alabama in the competition.

OSU heads from Clearwater to Conway, Ark., for the Michelle Short and Adam Brown Tournament hosted by Central Arkansas. The Cowgrls are lined up to face SIUE, Central Arkansas and South Dakota State from February 21-23.

Another high-level tournament awaits the Pokes in Wichita, Kan., from February 27-28. OSU plays South Dakota State, Wichita State, Nebraska and Missouri in the Shocker Invitational before returning home on March 2 for the home opener against Drake and Tulsa.

The 2025 season brings a new era to the Big 12 as Arizona, Arizona State and Utah all join the conference, and the Cowgirls are slated to play all three. OSU plays Arizona State in a non-conference contest in Tempe on April 2 before a three-game series with the Wildcats in Tucson from April 4-6, while the Utes travel to Stillwater to close the regular season from May 2-4.

The Pokes have premier midweek contests lined up against Oklahoma on April 9 in Oklahoma City, and a home matchup with the Texas Longhorns set for April 23.

Looking at the full conference schedule, OSU hosts Houston, Baylor, Iowa State and Utah, and travels to Texas Tech, Arizona, UCF and Kansas.

Position Breakdown

Pitcher

Under the tutelage of second-year pitching coach Carrie Eberle, who was influential in Lexi Kilfoyl's rise to dominance and Ivy Rosenberry's resurgence last season, pitching ought to be a unit of strength. Junior Kyra Aycock and sophomore Katie Kutz mark the key returners for the Pokes, who are joined by transfers Ruby Meylan and RyLee Crandall along with freshman Madison Hoffman.

An All-Big 12 Freshman team selection in 2023, Aycock posted a 7-3 record last season with a 3.62 ERA and 47 strikeouts in 75.1 innings pitched. Kutz made only eight appearances as a freshman, but she made the most of it as she went 3-0 in 24.2 IP to go with a 3.69 ERA and 19 strikeouts.

Meylan, a 2023 NFCA All-American and two-time All-Pac-12 performer at Washington, brings WCWS experience and ferocious power to the staff. In her two years as a Husky, Meylan went 27-17 to go with a 2.31 ERA and tallied 343 strikeouts in 303.2 IP. Crandall enjoyed two standout seasons at Baylor, where she posted a 33-15 record and a 3.13 ERA with 197 strikeouts in 286 innings of work. Hoffman comes from Blue Springs South in Lee's Summit, Mo., as a decorated two-way player who provides a nice complement to Meylan and Crandall's power.

While those five figure to eat the majority of the innings, senior Kathryn Ogg provides additional depth.

Catcher

Filling the void left by NFCA All-American Caroline Wang is a tall task, but Gajewski and Co. feel they did just that with the arrival of junior NC State transfer Amanda Hasler. In her two years at NC State, she started in 103 contests and posted a .318 batting average and a .653 slugging percentage while blasting 27 home runs with 73 RBIs. Hasler enjoyed a breakout sophomore season in which she slashed .351/.444/.770, launched 18 home runs and eight doubles and tallied 45 RBIs.

Another option at catcher is redshirt junior Audrey Schneidmiller, who saw action in 23 games and started 14 for the Pokes a year ago, batting .257 with a home run and seven RBIs in 35 at-bats. Freshman Tara Vandewater is an additional option for OSU behind the plate, although she may be seen in the infield as well.

Infield

The Cowgirls return all of their infield starters from 2024.

Sophomore Karli Godwin, a top 10 finalist for the TUCCI/NFCA Freshman of the Year award last season, is one of the most anticipated players in the nation this season. An NFCA All-Region and first team All-Big 12 honoree in 2024, she was the only Cowgirl to start all 61 games last season and batted .340 with 15 home runs and 51 RBIs. One of the most powerful hitters on the team who also maintained a .998 fielding percentage last season, Godwin figures to hold down first base again this year.

Her fellow top 25 finalist for the TUCCI/NFCA Freshman of the Year award, sophomore Rosie Davis, is expected to join her on the right side of the infield at second base. She collected All-Big 12 Freshman team honors and was named to the NFCA All-Region third team in 2024 after she slashed .333/.420/.554 and scored 35 runs while blasting eight home runs and 11 doubles.

Shifting to the left side of the infield where another strong partnership has formed – junior Tallen Edwards at third base and senior Megan Bloodworth at shortstop. Edwards made the move back to her more natural position in the dirt last season after playing primarily in the outfield her freshman year and earned NFCA All-Region honors. She led the team in runs scored (41) last season and posted a .299/.421/.490 slash line with 10 doubles, six homers and 30 RBI.

Bloodworth enters her final year in Stillwater after joining the Cowgirls prior to the 2023 season following a stellar freshman year at Alabama. Since joining the Pokes, she's become one of the top defensive players on the team and has been a key part in OSU reaching the WCWS in the last two seasons.

Beyond Godwin, Davis, Edwards and Bloodworth, New Mexico transfer Rachael Hathoot and the freshman Vandewater are also viable options in the infield, however Hathoot could be seen in the outfield as well.

A four-year starter at New Mexico, Hathoot brings valuable experience to the Cowgirl infield as a two-time first team All-Mountain West performer. In 2024, she led the team with a .382 batting average, 66 hits and 37 runs scored and held a 27-game on-base streak and a 16-game hitting streak at one point during the season. Vandewater, the no. 10 recruit in Extra Innings Extra Elite 100, can slot in at third base or behind the plate, and brings power, speed and a high softball IQ with her. She also has experience playing for the Israeli national team.

Senior Sophie Page and redshirt junior Micaela Wark are also in the infield mix, although Wark featured exclusively as the designated player last season. Wark picked up NFCA All-Region recognition for her play last season as she batted .278 with a .586 slugging percentage, eight doubles, 11 home runs and 30 RBIs.

Outfield
The Oklahoma State outfield could be the strongest position group of this year's team. The Cowgirls bring back strong 2024 performers Claire Timm, Lexi McDonald and Tia Warsop, and welcome the 2024 NFCA Golden Shoe recipient to the fold, Megan Delgadillo.

Delgadillo should anchor the Cowgirls in center field after joining OSU following a five-year career at Cal State Fullerton in which she pieced together one of the best careers in program history. She played in 206 games, starting in 205, and finished as the Titans' career record holder in hits (272), runs scored (172) and stolen bases (151). Delgadillo posted the best statistical season of her career in 2024 as slashed .417/.442/.515 and totaled 86 hits with 10 doubles and 5 triples. In addition to that, she was awarded the 2024 NFCA Golden Shoe after stealing 44 bases on 46 attempts. When it's all said and done, she could become one of the most exciting players to ever don America's Brightest Orange.

Timm enjoyed a breakout sophomore campaign in which she picked up NFCA All-Region honors after she slashed .324/.362/.578 and tallied 10 doubles and 10 home runs to go with 30 RBIs. She finished inside the top five on the team in seven different statistics and maintained a 1.000 fielding percentage despite being shifted around the outfield.

McDonald began last season as a fringe player and ended up becoming one of the Cowgirls most trusted bats by the end of the season. Her 2024 statistics included a .349 batting average and a .578 slugging percentage to go with seven doubles, four home runs and 18 RBIs as she featured in 47 games.

Warsop, perhaps one of the fastest players ever in the Gajewski era, had an efficient freshman season in which she featured in 51 games and posted a .333 batting average with 10 hits in 30 at-bats. She proved to be a force on the basepaths as well and was a perfect 11-for-11 on stolen base attempts.

Junior Macy Graf, along with Hathoot, is also in the outfield mix and provides great depth all across the outfield. Graf joined the Cowgirls last year after spending her freshman season at Mississippi State and saw action in 38 games and led the team with a .474 on-base percentage.

Kenny Gajewski

Head Coach
10th year at OSU | 13th overall
Oklahoma, 1995

Pronounced GUY-eh-ski

- In eight full seasons (plus the COVID-shortened 2020 campaign) as head coach at Oklahoma State, he has led the Cowgirls to five trips to the Women's College World Series and has guided OSU to the NCAA Tournament every year.
- From 2021-24, Oklahoma State won 192 games, fourth nationally behind only Oklahoma, Florida State and UCLA.
- Oklahoma State has had a final national ranking of No. 6 or better in five of the last six seasons, with the lone exception being the COVID-shortened 2020 campaign.
- From 2021-24, Oklahoma State went a combined 20-1 in the Regional and Super Regional rounds of the NCAA Tournament.
- Gajewski enters the 2025 season trailing only Gerry Glasco (Texas Tech) in career win percentage among active Big 12 coaches.
- Since 2019, Gajewski has led Oklahoma State to a 120-16 record at home (.882 pct).
- Gajewski led OSU to its first conference title in the Big 12 era with a win over No. 1 Oklahoma at the 2022 Big 12 Softball Championship.
- Gajewski has coached Oklahoma State to 23 wins over teams ranked in the top 10 of the NFCA poll, including three wins over the nation's top-ranked team.
- His OSU staff was honored as the NFCA Midwest Region Coaching Staff of the Year in 2017, 2019 and 2024.
- His Oklahoma State student-athletes have earned 21 All-America honors, 44 All-Region honors and 46 All-Big 12 honors.
- His Oklahoma State student-athletes have earned 14 Academic All-America honors, 17 Academic All-District honors and 100 Academic All-Big 12 honors.

Kenny Gajewski's time as head coach at Oklahoma State has been marked by high-level success.

Gajewski would say OSU's success has everything to do with the student-athletes, to whom the program belongs and the decisions he and his staff make simply reflect that larger philosophy.

Prioritizing mental health and freshness
Just one of the real-world examples of how he applies this approach has become an offseason tradition for the Cowgirls. Each August, Gajewski and his staff coordinate a team trip to Broken Bow, Oklahoma, as an opportunity for a new group of student-athletes to become familiar with each other as people, not just as players.

The retreat has yielded such positive results that Gajewski has made it part of the team's postseason routine each of the past four seasons. Immediately after the Big 12 Softball Championship and before the start of the NCAA Tournament, the Cowgirls have returned to Broken Bow to take a mental and physical break from the grind of the season and reset their focus on the NCAA postseason.

The May trip has re-energized the Cowgirls at a time when most teams are dragging and as a result, OSU has compiled a 20-1 record in the Regional and Super Regional rounds of the last four NCAA Tournaments.

Making Oklahoma State a premier destination for transfers
Understanding the personal side of his student-athletes is an area of strength for Gajewski, and it has become a significant factor in several high-level transfers being attracted to his Cowgirl Softball program. Since 2019, Samantha Show (Texas A&M), Carrie Eberle (Virginia Tech), Alysen Febrey (Georgia), Hayley Busby (Virginia), Lexi Kilfoyl (Alabama) and Caroline Wang (Liberty) earned All-America status for the first time in their respective careers after transferring to OSU. Miranda Elish (Texas) and Rachel Becker (Purdue) also earned All-America recognition after joining the Cowgirls.

On-field success
When it comes to on-field production, Oklahoma State has become a true national power during Gajewski's tenure, advancing to the Women's College World Series in 2019, 2021, 2022, 2023 and 2024 as well as winning the Big 12 Tournament in 2022.

From 2021-24, Oklahoma State won 192 games, good for fourth nationally behind Oklahoma, Florida State and UCLA.

The Gajewski era has yielded single-season program records in just about every category of significance and in that same time frame, the Cowgirls have earned 21 All-America honors, 44 All-Region honors, two Big 12 Player of the Year honors, three Big 12 Pitcher of the Year honors and 46 All-Big 12 honors. From 2022-24, Cowgirl Softball collected 10 All-America honors.

In 2021, eight Cowgirls were named to the NFCA All-Region team and seven earned All-Big 12 recognition. That same season, OSU also posted a 15-3 record in conference play for its best record of the Big 12 era.

Since 2021, eight Cowgirls have been drafted to play professionally with Athletes United and five were drafted to play with Women's Professional Fastpitch.

Academic success
In addition to on-field success, Gajewski's Cowgirls have also thrived in the classroom.

In 2023, Cowgirl Softball produced five Academic All-Americans, which was the highest total for any softball team in NCAA Division I, II or III that year.

During Gajewski's time as head coach, OSU has earned 14 Academic All-America honors, with 11 of those coming in the last four seasons alone.

Jules Callaham was honored as the Elite 90 winner at both the 2021 and 2022 Women's College World Series and Katie Lott received the award at the 2024 WCWS. That award is given each year to the student-athlete with the highest grade point average at the NCAA championship site.

Taylor Tuck and Morgyn Wynne were both honored following the 2023 season, with Tuck securing the Dr. Prentice Gautt Postgraduate Scholarship and Wynne earning the McLendon Institute Postgraduate Scholarship.

In 2021, OSU set a program record with 13 first team Academic All-Big 12 honorees then followed it up with 12 first team selections in 2022, which ranks first- and second-most in program history and second- and third-most in Big 12 Conference history, respectively. During Gajewski's tenure as head coach, 100 Cowgirls have earned Academic All-Big 12 recognition – the most of any team in the conference in that stretch.

The rise of the Cowgirls

It has been a remarkable climb for Oklahoma State softball under Gajewski's tutelage. He inherited a program that went 3-13 in Big 12 play the year prior to his arrival.

In 2016, the Cowgirls were 6-11 in conference, then made the jump to 12-6 and a third place finish in 2017. While OSU had an identical 12-6 record in 2018, it improved to a tie for second place in the conference standings. The Cowgirls of 2019 went 13-5 in the league for sole possession of second place. In 2021, OSU went 15-3 against Big 12 opponents to finish second. The Cowgirls went 14-4 in conference in 2022 and won the Big 12 Tournament for the first time.

Gajewski and his Oklahoma State staff were recognized as the NFCA Midwest Region Coaching Staff of the Year after the 2017, 2019 and 2024 seasons. The 2017 season was highlighted by the program's first top-three finish in the Big 12 since 2010 and a shutout victory at No. 1 Florida during the NCAA Gainesville Regional. The 2019 Cowgirls tallied 11 victories over top-15 opponents, played in the Women's College World Series – Oklahoma State's first WCWS appearance since the 2011 season – and finished No. 6 in the *USA Today*/NFCA Coaches Poll, marking the school's highest standing in the national polls since 1998. In 2024, the Cowgirls totaled a Gajewski-era best 49 wins en route to a fifth-consecutive WCWS appearance.

Before Oklahoma State

Before coming to Oklahoma State, Gajewski coached alongside Tim Walton at Florida, where the Gators won back-to-back national championships in his final two years. In 2015, Florida posted top-25 NCAA marks in earned run average (1.63), scoring (6.55 runs per game) and on-base percentage (.438), in addition to leading the nation in fielding percentage The Gators' 60-7 record led the country in win percentage and marked the second-highest win total in school history.

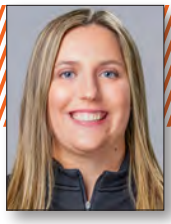
Prior to joining the Gators, Gajewski spent a season as the director of baseball operations at Tennessee. With the Volunteers, he was in charge of managing UT's camps, overseeing student managers and handling the day-to-day operations of the baseball program. Gajewski's roots trace back to the University of Oklahoma, however, as he played for the Sooner baseball squad in 1994 that won a national championship and earned him his first coaching stint as a graduate assistant the following season.

Gajewski then served as a volunteer assistant at Kansas State in 1996 before returning to Norman, where he would begin a 10-year stretch as the Sooners' turf and maintenance director. In 2001, the field at OU's L. Dale Mitchell Park was named the Beam Clay Baseball Diamond of the Year. That same season, the OU Softball Complex was presented the Field Maintenance Award by the National Fastpitch Coaches Association and TURFACE sports field products.

From 2007 onward, Gajewski was the owner and operator of three Norman, Oklahoma-based turf businesses - Champions Athletic Turf (athletic field renovation), Sooner Curb and Border (decorative concrete) and Ameriturf MidSouth (synthetic turf), but has since moved on from the projects to fully invest in his coaching career.

A native of Los Alamitos, California, Gajewski is married to Rachel, a Texas A&M softball alumna, and has three kids, Preston, Logan and Gray.

Coaches and Staff



Carrie Eberle

Assistant Coach
Third year at OSU | Fourth overall
Oklahoma State, 2021

Two-time All-American and professional standout Carrie Eberle returned to Oklahoma State as pitching coach in the summer of 2023 after spending the previous season at Lipscomb.

In her first season as OSU pitching coach, Eberle helped Lexi Kilfoyl attain 2024 Big 12 Pitcher of the Year, first team All-America and first team All-Big 12 honors. Kilfoyl became OSU's first top three finalist for the prestigious USA Softball Collegiate Player of the Year award. Eberle also coached Ivy Rosenberry to the first all-conference and NFCA All-Region honors of her career.

Eberle's work with the pitchers helped the Cowgirls to a spot in the 2024 Women's College World Series and she was a member of OSU's 2024 NFCA Midwest Region Coaching Staff of the Year.

A native of Charlotte, N.C., Eberle pitched for OSU from 2020-21, earning All-America honors both years. In her two seasons in Stillwater, she went 36-5 with a 1.13 earned run average, posted 224 strikeouts in 266.1 innings of work and held the opposition to a .184 batting average. The 2020 season was cut short due to the COVID pandemic, but in her lone full season with the Cowgirls, she was named Big 12 Pitcher of the Year and helped lead the team to the 2021 Women's College World Series.

After that, she joined the professional ranks with Athletes Unlimited, earning Rookie of the Year honors in 2021.

Eberle was a student assistant under Gajewski for the 2022 season that produced a Big 12 Tournament Championship and another WCWS appearance. She completed her master's degree during that time as well.

Eberle originally transferred to OSU in the fall of 2019 after graduating from Virginia Tech in three years. Her career with the Hokies was highlighted by 2019 ACC Pitcher of the Year honors after she went 25-8 with a 1.84 earned run average that season.

In addition to her on-field success, Eberle was a strong performer in the classroom, earning CoSIDA Academic All-America accolades in 2021. She was honored as ACC Softball Scholar-Athlete of the Year in 2019 and was an ACC All-Academic selection in 2017 and an Academic All-Big 12 honoree in 2021.

Vanessa Shippy-Fletcher

Assistant Coach/Recruiting Coordinator
Fifth year at OSU | Seventh overall
Oklahoma State, 2018

Vanessa Shippy-Fletcher serves as Oklahoma State's hitting coach and recruiting coordinator, promotions she received prior to the 2024 season.

Prior to that, she was a volunteer assistant for the Cowgirls from 2021-23, focusing primarily on hitting and base running and working closely with the OSU outfielders.

In 2024, Shippy-Fletcher led the Cowgirl offense to a near-record breaking season while coaching Caroline Wang to third team NFCA All-America honors and five offensive Cowgirls to NFCA all-region accolades. That season, OSU's offense finished inside the top three on nine different single-season lists, including hitting the second-most home runs (92) and scoring the second-most runs in program history (363).

Shippy-Fletcher's work with the hitters helped the Cowgirls to a spot in the 2024 Women's College World Series and she was a member of OSU's 2024 NFCA Midwest Region Coaching Staff of the Year.

In three years as a volunteer assistant, Shippy-Fletcher helped the Cowgirls to three straight appearances in the NCAA Women's College World Series and helped OSU outfielders to six All-Big 12 and six NFCA All-Region honors.

She was particularly effective in aiding younger players in their transition to the major college level, helping Tallen Edwards to NFCA Freshman All-America honors in 2023 just one year after helping sophomore Katelynn Carwile become the first OSU outfielder since Olympian Jaime Foutch in 1996 to earn All-America honors.

A star in her playing days, Shippy-Fletcher is one of only two three-time All-Americans in Oklahoma State history. She is OSU's only three-time Academic All-American. The Big 12 Player of the Year in 2016 and 2018, Shippy-Fletcher finished her career with an impressive .404/.532/.585 slash line and her name remains atop the OSU career records list for doubles, bases on balls and on-base percentage.

She played in the National Pro Fastpitch league for one season after graduating from Oklahoma State and served as an assistant coach at Syracuse for the 2019 and 2020 seasons. She and her husband Matt have a son, Luke, and a daughter, Hallie.

Coaches and Staff

Greg Bergeron

Assistant Coach/Defensive Coordinator
First year at OSU | 30th overall
Cal State Dominguez Hills, 1993

With 29 years of coaching experience, including 21 at the Division I level, Greg Bergeron joined the Oklahoma State softball staff in June of 2024.

Most recently the recruiting coordinator, infield and hitting coach on Charlotte Morgan's staff at Cal State Northridge from 2021-24, Bergeron spent the first 25 years of his career coaching baseball, with notable stops at UC Irvine, Cal State Fullerton, Tennessee and Long Beach State, among others. He was part of College World Series staffs at UC Irvine in 2007 and at Cal State Fullerton in 2009.

During his 10 years on staff at UC Irvine, Cal State Fullerton and Long Beach State combined, he helped coach those teams to eight NCAA appearances and five super regionals.

Bergeron has either coached or recruited more than 100 Major League Baseball draft picks, including five first-rounders and 28 who made it to the majors.

The bulk of Bergeron's experience has come as a hitting coach and in working closely with infielders.

After a successful playing career in which he led the league in batting average at Cal State Dominguez Hills, was an all-conference performer at Loyola Marymount and went on to play three years professionally, Bergeron returned to LMU as a volunteer assistant before getting his first full time job as an assistant at Cypress College. He helped lead Cypress to a California Community College Athletics state championship.

He moved on to El Camino College in 1998 and spent six years as an assistant before being elevated to head coach in July of 2003. He coached the 2004 season before getting a Division I opportunity under Coach Dave Serrano at UC Irvine. When the Anteaters advanced to the College World Series in 2007, it was a program first.

He followed Serrano to Cal State Fullerton, helping lead the Titans to NCAA appearances in each of his four years, with three super regional appearances and a CWS trip in 2009. Under his direction, the Titans offense had one of its most successful seasons in 2010 with a .337 team batting average which ranked 17th in the country and second in CSUF history.

Serrano was then offered the head coaching position at Tennessee and he took Bergeron with him. While in Knoxville, the duo helped the Volunteers to back-to-back appearances in the Southeastern Conference Tournament for the first time in 10 years.

Bergeron returned to his native Southern California by joining the Long Beach State staff as an assistant in 2015 and following the 2017 season, was elevated to the role of associate head coach. The Dirtbags scored 310 runs in 2016 and 312 in 2017, resulting in the highest two-year total since 2009-10. LBSU hit 60 home runs in Bergeron's first two seasons, more than the previous five seasons combined (55 home runs). LBSU saw improvements in batting average, slugging percentage, on-base percentage, and stolen bases during the 2017 season, culminating in a Big West Championship and an NCAA Super Regional appearance.

Following the COVID-shortened 2020 season in which he served as a volunteer assistant at Washington State, Bergeron joined Morgan's Cal State Northridge softball staff. From 2021 to 2022, the Matadors improved by 18 games in the win column and in 2023, CSUN finished third in the Big West Conference after being picked to place fifth in the preseason.

Bergeron earned his bachelor's degree in physical education from Cal State Dominguez Hills in 1993 and his master's degree in education/physical education from Azusa Pacific in 1997.

Bergeron comes from a family of educators. Both of his parents taught high school, and his father was one of the winningest high school baseball coaches in California. His wife, Anne, is a school psychologist.

The Bergerons have twin daughters, Nicole and Natalie, and a son, Brooks.

** Records show OSU went 52-19-0 from 1975-77, but game-by-game accounts don't exist from those three seasons. That is the reason why the total records shown above do not match OSU's all-time listed record of 1768-904-3.*

Fifth-Consecutive NCAA WCWS Berth Highlights 2024 Season for Cowgirl Softball

After losing five starters from a group that clinched four straight NCAA Women's College World Series appearances from 2019-23, the 2024 season represented somewhat of a fresh start for the Oklahoma State softball program. With two-thirds of the roster comprised of freshmen and sophomores, there was reason to question if the Cowgirls could return to the game's final stage.

Those questions came from the outside.

Internally, OSU was determined to build on its existing status as one of the top programs in the sport.

Sure enough, the Cowgirls went 49-12 and reached the WCWS for the fifth straight year. The newcomers and youngsters successfully navigated their way through the year and OSU powered its way to a fifth consecutive 40-win season and a fourth straight top-eight national seed.

On an individual level, Lexi Kilfoyl became the program's first top three finalist for the USA Softball Collegiate Player of the Year award, was Big 12 Pitcher of the Year and a first team All-American from the National Fastpitch Coaches Association. Joining her on the All-America team was Liberty graduate transfer Caroline Wang, who garnered third team All-America recognition. The two All-Americans were joined by pitcher Ivy Rosenberry, designated player Micaela Wark, outfielder Claire Timm and infielders Karli Godwin, Rosie Davis and Tallen Edwards on the NFCA All-Region teams.

The Cowgirls of 2024 will be remembered for the close-knit bond they held as they rode the highs and lows of collegiate softball, never wavering in their belief in each other.

Oklahoma State opened the season with a perfect 5-0 showing in California, capped with a 9-1 run-rule win over No. 10 UCLA to give OSU its first run-rule victory over an NFCA top-10 opponent on the road in program history.

Following that, the Cowgirls traveled to Florida, where they won eight of 10 games, highlighted by shutout victories over No. 16 Florida, 3-0, and No. 4 Washington, 7-0.

Heading into Big 12 play, the Cowgirls had solidified themselves inside the top five in the NFCA poll, holding an 18-2 record while tallying eight run-rule victories through the first 20 games.

After securing series wins over No. 19 Baylor and Big 12 newcomers UCF and BYU, OSU hosted No. 2 Texas in Stillwater for a top-10 showdown. Off the back of two Kilfoyl complete-game shutouts against the No. 1 offense in the nation at that time, the Cowgirls picked up a statement series win.

Losing two of three at Iowa State was OSU's only series loss of the season. Prior to the series finale in Ames - a 10-2 six-inning run-rule victory for OSU – head coach Kenny Gajewksi and his staff decided to break out a wiffleball set for pregame warmups, hoping to remind the team to get back to the basics and have fun.

2024 Season Review Story

As it turned out, that reminder helped the Cowgirls close the regular season as winners in 10 of their last 11 contests, including a historic series victory at Love's Field in Norman over No. 2 Oklahoma in the final Big 12 edition of the Phillips 66 Bedlam Series.

Heading into the Big 12 Tournament on a high, OSU suffered a first-round exit at the hands of BYU.

While in Broken Bow, Okla., a vacation town in rural Oklahoma that has become an annual destination for the Cowgirls following the Big 12 Tournament and before NCAA Regionals, Oklahoma State was named the No. 5 national seed for the NCAA Tournament - a mark that tied a program-high.

Just as they have done in the past four years, the Cowgirls swept their way through the NCAA Stillwater Regional with wins over Northern Colorado, Kentucky and Michigan.

From there, Oklahoma State hosted then-No. 17 Arizona in the Super Regional round, securing an 8-0 run-rule victory in game one and a 10-4 triumph in game two to advance to the WCWS.

The Cowgirls' season ended at the WCWS following losses to No. 4 Florida and No. 8 Stanford.

After it all was said and done, Oklahoma State was ranked No. 6 in the final NFCA poll and finished the season inside the top 20 in the nation in multiple team statistics: ERA (2.07/14th), fielding percentage (.976/15th), home runs per game (1.51/fifth), shutouts (15/10th), slugging percentage (.554/ninth) and winning percentage (.803/seventh). The Cowgirls of 2024 became the first team in program history to have five double-digit home run sluggers (Karli Godwin, Jilyen Poullard, Claire Timm, Caroline Wang and Micaela Wark) and were two home runs shy of breaking the all-time single-season home run record.

Wang and Godwin combined for 32 home runs, 24 doubles and 102 RBIs, with both ranking among the nation's top sluggers. Godwin set the freshman single-season home run record with her 15 long balls on the season to easily clear the previous record of 10.

Led by first-year pitching coach Carrie Eberle, OSU was elite in the circle all season. Kilfoyl turned in a 26-5 record, while Rosenberry went 13-4 and sophomore Kyra Aycock chipped in with a 7-3 record. Kilfoyl's ERA of 1.20 ranked fourth nationally, while her 26 victories ranked sixth.

Underclassmen Davis, Edwards, Godwin, Lexi McDonald, Timm and Wark formed a core offensive foundation, with all six batting above .275 with at least seven doubles on the year. Davis and Godwin became OSU's first duo to be named Top 25 finalists for the TUCCI/NFCA Freshman of the Year award, with the latter named a top 10 finalist for the prestigious award.

Led by second-year head coach Sandy Fischer and the potent duo of first baseman Pam Harper and All-America outfielder Jan Drummond, the Cowgirls of 1980 earned Oklahoma State's first Big Eight Conference title in softball and made the program's maiden voyage to the AIAW Women's College World Series, which at the time was called the AIAW National Division I Softball Championship.

The Cowgirls' fifth-Place finish at the event marked the highest finish for any OSU women's sport at its national tournament at the time.

The Cowgirls proved themselves as a significant threat on the national landscape when they won the Big Eight title earlier in the season - it was the first in program history.

At one point of the season, the Cowgirls rattled off eight straight wins. Included in that stretch were an 11-8 victory over Arizona and a 1-0 triumph over Ohio State.

In addition to the offensive firepower produced by Harper and Drummond throughout the season, pitchers Tina Schell and Nancy Teehee were standouts in the circle.

1981 AIAW Women's College World Series

Tina Schell

Pam Harper

The first team in the history of the program to win 40 games in a season, the 1981 Oklahoma State softball team featured both a potent offense and overpowering pitching.

It was no surprise that this group claimed a Big Eight Conference title and appeared in the Women's College World Series, which at the time was called the AIAW National Division I Softball Championship.At the World Series, OSU was a 5-1 winner over Michigan State in its first game.

A 5-1 loss to Missouri bumped OSU into the lower half of the bracket, where the Cowgirls picked up a 5-2 win over New Mexico before being eliminated in the following game by UCLA.

Perhaps the highlight of the season came at the Big Eight Conference Championships, where OSU steamrolled the opposition.

The Cowgirls did not allow a single run at the tournament, scoring a 7-0 win over Kansas, a 10-0 win over Nebraska and a 6-0 win over Kansas to claim the trophy.

Pitcher Tina Schell threw complete game shutouts in both wins over the Jayhawks with Nancy Teehee doing the same to the Cornhuskers.

The Cowgirls started the season by winning their first nine games and outscored their first seven opponents by a combined score of 34-2.

Kim Fabian and Pam Harper were two of the team's most dangerous offensive players.

Other standout performers included Teresa Ryser, Kris Bergstrom and Tina Schell.

Oklahoma State participated in both the AIAW and NCAA Women's College World Series to cap the 1982 season.

OSU advanced through the Southwest AIAW Tournament in Oklahoma City to qualify for the national tournament in Norman.

Once at the AIAW Women's College World Series, the Cowgirls cruised through the first three games, shutting out Western Illinois, Utah and Cal.

A one-run victory over Michigan sent Oklahoma State into the finals against Texas A&M.

A pair of losses to the Aggies eliminated the Cowgirls, who then hopped on a bus to Omaha to compete in the NCAA Women's College World Series just two days later.

At the NCAA WCWS, Oklahoma State suffered a pair of extra-inning defeats to UCLA and Fresno State.

1989 NCAA Women's College World Series

The Cowgirls of 1989 were dominant. Ranked No. 1 in the nation for a good portion of the season, at no point was OSU ranked lower than No. 3.

It started in the circle, where Michele Smith and Dena Carter both had earned run averages of less than 1.00 and combined to register 44 complete games in 52 starts.Sporting a 26-3 record with an 0.53 earned run average and 240 strikeouts in 196.1 innings pitched, Smith was perhaps the most overpowering pitcher in the country.

She, along with shortstop Shari Johnson (.345 batting average) and catcher Lisa Harvey (.300 batting average) were honored as first-team All-Americans. Champions of the Big Eight, the Cowgirls swept their way through the Conference tournament in dominating fashion. OSU entered the WCWS ranked No. 2 in the nation and scored victories over Toledo and Arizona before losing a one-run decision to top-ranked and eventual champion UCLA. No. 3 Fresno State eliminated the Cowgirls in the semifinals.

Champions of the Big Eight for the Second consecutive year, the Cowgirls of 1990 were ranked in the top 10 nationally all season.

Oklahoma State won 34 of its first 37 games and climbed to as high as No. 5 in the nation.

Pitching was central to OSU's success, as the Cowgirl pitching staff combined to post an 0.54 earned run average on the season.

At the plate, four Cowgirl starters had batting averages better than .300, led by All-America outfielder Michelle Shean, who batted .351.

Shean was either first or tied first for the team lead in doubles, triples, home runs and RBI.

The Cowgirls swept their way through the Big Eight tournament, then swept their way through the NCAA Regional without surrendering any runs.

OSU defeated Arizona and Florida State to open WCWS play, but were bumped to the lower bracket with a one-run loss to eventual champion UCLA and were eliminated after a one-run loss to eventual runner-up Fresno State in the semifinals.

1993 NCAA Women's College World Series

One of only two teams in program history to hit the 50-win mark in a season, the Cowgirls of 1993 were outstanding.

Oklahoma State was ranked in the top-10 nationally all season and rolled to a Big Eight championship after posting a 16-2 record in Conference play.

A first-team All-American, Melanie Roche went 32-6 with an 0.48 earned run average and struck out 310 in 233.2 innings pitched. Roche and Chrissy Oliver (13-2 record with an 0.85 ERA) formed a very successful starting rotation.

Outfielder K.K. McCoy earned third-team All-America honors after leading the team with a .319 batting average, 52 hits and 27 runs scored. In the post-season, the Cowgirls swept Utah State in the NCAA Regional round to advance to the Women's College World Series.

OSU opened WCWS play with back-to-back wins over No. 4 Florida State and top-ranked UCLA.

A 1-0 loss in nine innings to eventual champion Arizona moved the Cowgirls into the lower half of the bracket, where the No. 1 Bruins avenged their earlier defeat to eliminate OSU in the semifinals.

Returning eight starters from the 1993 team that played in the Women's College World Series, Oklahoma State carried with it expectations of being a serious national contender.

It had a first-team All-American in Kim Ward, who batted .383 with eight Home runs and 30 RBI.

She was also a 20-game winner in the circle, going 20-6 with a 1.30 earned run average. Amy Day starred in the circle as well, going 20-4 with an 0.79 earned run average to earn third-team All-America status.

Ranked in the top five nationally all season long, the Cowgirls won their sixth consecutive Big Eight championship, then swept their way through the NCAA Regionals to punch their ticket to the Women's College World Series.

At the WCWS, the Cowgirls were upset by Utah in extra innings in the opener, but worked their way back into contention with consecutive wins over Missouri, Fresno State and Cal State Northridge.

One game away from the final, OSU was eliminated after losing the rematch with CSUN.

1998 NCAA Women's College World Series

The Cowgirls of 1998 were a strong team that put it together at the right time.

Oklahoma State had an All-American in Jaime Foutch, who batted .409 with eight home runs and 33 runs batted in, but the strength of the lineup was its depth. The same can be said for the OSU pitching staff as the three primary starters had very similar numbers.

The Cowgirls posted a 2-2 showing at the Big 12 Tournament, which earned them the role of Regional host.

OSU dominated in front of their home crowd shutting out Florida State, Missouri State and Stanford on consecutive days to earn their spot in the WCWS.

OSU lost to top-ranked Arizona in its WCWS opener. The Cowgirls put together a strong rally to beat Massachusetts and No. 2 Michigan to earn a spot in the semifinal round.

Oklahoma State ran back into the No. 1 Wildcats and was eliminated following a 5-0 defeat.

After finishing seventh in the Big 12 and enduring a six-game losing streak to end the regular season, the Cowgirls of 2011 did not appear destined for postseason glory, but this team proved that things can change quickly.

The team featured a potent lineup led by infielders Alysia Hamilton (an *ESPN.com* All-American), Mariah Gearhart, Chelsea Garcia and Julie Ward.The Cowgirls' pitching was staff anchored by Kat Espinosa.

Oklahoma State was the No. 3 seed in the Knoxville Regional and picked up a 2-1 win over second-seeded Georgia Tech in the first round before a program-defining victory over Tennessee.

A 6-1 upset win over the tournament's top-ranked team sent the unheralded Cowgirls into the regional final, where they disposed of the homestanding Lady Vols. Winning the regional put OSU in position to host Houston in the Super Regional and after taking two of three from the Cougars, the Cowgirls earned their first trip to the Women's College World Series in 13 years.

Once at the WCWS, OSU drew Baylor as its first-round opponent. While the Cowgirls swept the Bears in a two-game set during the regular season, they were bumped into the lower half of the bracket following a 1-0 loss in eight innings to BU. A 6-2 loss to California two nights later brought an end to a memorable postseason run.

2019 NCAA Women's College World Series

If there was ever a team that had a little extra juice to it, it was the Cowgirls of 2019. Between the unceasing energy provided at the top of the lineup from feisty Rylee Bayless or the bat-flipping power at the plate and strong performances in the circle from All-American Samantha Show, this team had personality.

In 62 games, this team bashed 82 home runs (50 more than its opponents) and stole 57 bases.

The Cowgirls swept their way through a home regional, then traveled to Tallahassee, Fla., to take two of three from reigning NCAA champion Florida State in the Super Regional to advance to the Women's College World Series.

Show hit two solo home runs off Florida ace Kelly Barnhill and pitched a seven-inning shutout of the Gators in game one of the WCWS, but losses to Oklahoma and Washington ended OSU's run.

2021 was a season of high expectations for Cowgirl Softball and the team delivered. OSU entered the season ranked in the top 10 of the *ESPN.com*/USA Softball poll and proved the lofty ranking to be warranted by advancing to its second consecutive Women's College World Series and finishing second in the Big 12 Conference.

The Cowgirls did it with perhaps the best offense in school history paired with a pitching staff that led the Big 12 and ranked in the top 10 nationally with a 1.81 team earned run average. A trio of All-Americans led the way and they all had something in common.

Pitcher Carrie Eberle transferred to Stillwater from Virginia Tech, first baseman Alysen Febrey transferred from Georgia and Hayley Busby transferred from Virginia. The three All-Americans were critical to the team's success, but perhaps the defining trait of OSU's lineup was its Overall depth. Eight Cowgirls were named to the NFCA All-Region team and seven were All-Big 12 performers.

While they may not have received the same level of acclaim as the All-Americans, Kelly Maxwell, Kiley Naomi, Sydney Pennington, Karli Petty Chyenne Factor and Chelsea Alexander all played important roles in getting OSU back to the WCWS.

2022 NCAA Women's College World Series

The 2022 Cowgirls met and raised the bar and took another step in the right direction for an OSU program that was returning to the national spotlight.

Co-Big 12 Pitcher of the Year and first team All-American Kelly Maxwell was a force to be reckoned with as the Cowgirls' ace. Alongside elite pitching, it was All-Americans Sydney Pennington and Katelynn Carwile leading the way for the Cowgirls on offense.

After ending the regular season on a tough five-game skid, the Pokes roared back into the national spotlight in the postseason.

The Cowgirls won three straight games at the Phillips 66 Big 12 Championship to begin postseason play and claim the programs first Big 12 title. A sweep of the conference tournament secured OSU the No. 7 national seed in the 2022 NCAA Tournament, which marked its sixth-straight tournament berth. The Cowgirls won five straight in the Regional and Super Regional rounds to punch their ticket to the WCWS.

OSU pieced together wins against Arizona and Florida in OKC to qualify for the national semifinal. It was on the threshold of the championship series that the season ended in a two-game set versus conference foe Texas.

Led by a quartet of All-Americans and featuring a lineup with six returning starters from its 2022 Women's College World Series team, great things were expected from Oklahoma State in 2023, evidenced by a No. 3 preseason national rank.

After claiming six non-conference wins over ranked opponents, OSU climbed to No. 2 in the polls by mid-March. The Cowgirls won 37 of their first 40 games for the best 40-game start in program history and were positioned as a national title contender.

Things took a turn, however, as OSU went just 2-11 in its final 13 games leading into the NCAA Tournament. To the surprise of some, the Cowgirls were announced as the No. 8 national seed for the NCAA Tournament based in part on their notable early-season wins.

Once in the tournament, OSU stabilized, sweeping through a home regional with UMBC, No. 21 Wichita State and Nebraska. The win over the WSU was particularly notable, as the Shockers beat the Cowgirls twice during the regular season. OSU then dominated Oregon in the Super Regional at Cowgirl Stadium to advance to its fourth consecutive WCWS.

After losing five starters from a group that clinched four straight NCAA Women's College World Series appearances from 2019-23, the 2024 season represented somewhat of a fresh start for the Oklahoma State softball program. With two-thirds of the roster comprised of freshmen and sophomores, there was reason to question if the Cowgirls could return to the game's final stage.

Those questions came from the outside.

Heading into Big 12 play, the Cowgirls had solidified themselves inside the top five in the NFCA poll, holding an 18-2 record while tallying eight run-rule victories through the first 20 games.

After dropping its only Big 12 series against Iowa State, OSU finished the regular season as winners in 10 of its last 11, including a historic series victory over No. 2 Oklahoma in Norman.

The Pokes earned the No. 5 national seed for the NCAA Tournament, a mark that tied a program-high.

Just as they have done for the past four years, the Cowgirls swept their way through the NCAA Stillwater Regional with wins over Northern Colorado, Kentucky and Michigan. OSU then trounced past Arizona in Super Regionals to reach its fifth consecutive WCWS.

1 Alysen Febrey

First Base
Peachtree City, Ga.

2020 Softball America First Team All-American - 1B
2021 NFCA First Team All-American - 1B

A transfer from Georgia who was a Bulldog standout for three seasons, Alysen Febrey became a national-level star after joining the Oklahoma State program. In about a season and a half in Stillwater, Febrey set a program record with an .826 slugging percentage, batted .395, finished in the top five in school history with 29 home runs and finished 16th in school history with 92 runs batted in. Again, that was in only a season and a half because the 2020 campaign was cut short due to the COVID pandemic.

All-Americans

She was the most prominent offensive weapon for outstanding OSU teams in 2020 and 2021 and was a central figure in the Cowgirls advancing to the Women's College World Series in 2021.

Sydney Pennington

Third Base
Sand Springs, Okla.

2020 Second Team Softball America All-American - 3B
2022 Third Team Softball America All-American - 3B

When Sydney Pennington came to Oklahoma State as a freshman prior to the 2018 season, she carried with her high expectations as a national-level recruit from nearby Sand Springs, Okla. While observers knew she had a chance to be good at the college level, they didn't know she'd become Oklahoma State's career home run leader and be a central contributor for OSU teams that played in the Women's College World Series in 2019, 2021 and 2022.

She was a rock of consistency, starting all 269 games OSU played throughout her career.

In a 2020 season that was shortened by the COVID pandemic, Pennington was a star and earned second team All-America honors by *Softball America* after batting .375 with seven home runs, 26 runs scored and 56 total bases in only 24 games.

While her numbers dipped the following year, her leadership was instrumental in helping the Cowgirls to the WCWS.

In 2022, she slashed .331/.402/.548, hit 10 home runs and drove in a career-best 44 runs to secure third-team All-America status from *Softball America*.

Kelly Maxwell

Pitcher
Friendswood, Texas

2022 First Team NFCA All-American - P
2023 Second Team NFCA All-American - P

A good case can be made that Kelly Maxwell was the best left-handed pitcher in the country in 2022 and 2023. She was perhaps the most prominent figure on Oklahoma State teams that advanced to the Women's College World Series both seasons. She ranked second nationally in strikeouts per seven innings in 2022 and 2023, was the 2022 Big 12 Pitcher of the Year and was one of 10 finalists for USA Softball Collegiate Player of the Year in 2022. Maxwell represented the U.S. Senior National Team in competition following both seasons. Her career total of 10.6 strikeouts per seven innings is an Oklahoma State record.

In her first appearance as a Cowgirl, she threw a perfect game against Florida A&M in 2020 and she went on to throw five no-hitters during her OSU career.

Maxwell was a two-time Academic All-American who graduated from OSU with a degree in biochemistry and molecular biology.

Lexi Kilfoyl

Pitcher
Land O' Lakes, Fla.

2023 Third Team NFCA All-American - P
2024 First Team NFCA All-American - P

After three successful years at Alabama where she was a strong performer on successful Crimson Tide teams, Lexi Kilfoyl transferred to Oklahoma State prior to the 2023 season and became one of the most dominant pitchers in college softball.

Elite power and a filthy drop ball combined with Kilfoyl's towering frame is a recipe for success, and successful it was.

Kilfoyl played a key role in Oklahoma State reaching the Women's College World Series in both seasons as a Cowgirl. In 2023, Kilfoyl led the Cowgirls in ERA (1.70) and matched the team lead for victories (16) despite splitting innings with fellow All-American Kelly Maxwell. In 2024, Kilfoyl elevated her game to a new level as she collected Big 12 Pitcher of the Year honors and became the program's first top three finalist for the USA Softball Collegiate Player of the Year award. She led the Big 12 in six different statistics and ranked fourth nationally with a 1.20 ERA while her 26 victories ranked sixth in the nation.

Kilfoyl also became the only pitcher in program history to sweep the Big 12/NFCA Pitcher of the Week awards on three separate occasions in a single season.

While Fabian's All-America recognition in 1982 was validation of her impact, it may have come a year late. She was a dominant performer in 1981 and led the team with a .370 batting average, 10 doubles and 32 runs batted in.

With Schell on the roster, OSU won Big Eight championships in 1980 and 1981 and appeared in the WCWS in 1980, 1981 and 1982. During the span of her Oklahoma State career, she threw seven no-hitters.

Lisa Harvey

Catcher
Bartlesville, Okla.

1989 First Team All-American - C

In 1989, Oklahoma State featured perhaps the best pitching duo in America, with Michele Smith and Dena Carter combining to go 46-6 with an 0.63 earned run average. Catcher Lisa Harvey factored prominently into their success and was honored as a first-team All-American for her work behind the plate.

A native of Bartlesville, Okla., Harvey was an anchor for the 1989 Cowgirls that tied for third at the Women's College World Series and spent a good portion of the season ranked No. 1 in the nation.

She batted .300 that year with 33 hits, seven doubles and 15 runs batted in, but perhaps her greatest value to the team was in her defense and her ability to work well with pitchers.

Head coach Sandy Fischer said this of Harvey: "She's a little general on the field. She makes things happen and doesn't allow a base runner an inch."

Carter pitched alongside All-America teammates in Michele Smith and Melanie Roche, but the right-hander still found a way to stand out in her own right. As a junior in 1990, she went 23-7 with an 0.48 earned run average and pitched eight shutouts. She also tied for the team lead with two Home runs and ranked third on the squad with a career high 20 runs that same season.

In addition to her All-America status, Carter was a three-time all-region selection and earned five all-Big Eight honors (two as a utility player, two as a pitcher/designated player and one as a pitcher). She was drafted by the Women's Pro Softball League in 1996.

She garnered national attention for producting one of the most memorable moments of the 2019 campaign with an emphatic bat flip following a home run against Oregon and after doing so, became one of the most talked-about players in the country.

In addition to her exploits at the plate, the right-handed Show was also a 22-game winner in the circle. Perhaps the best illustrator of her prominence both as a pitcher and as a hitter from her time at OSU came in a 2-1 win over No. 5 Florida in the first game of the 2019 WCWS. In that contest, she threw a complete game and hit two home runs - OSU's only two hits of the game - to lift the Cowgirls over the Gators.

17 Hayley Busby

Designated Player
Phoenix, Ariz.

2021 Third Team NFCA All-American - DP

Hayley Busby transferred to Oklahoma State from Virginia, where she was an all-region selection as a sophomore in 2019. Her first season at OSU was cut short due to the COVID pandemic, but she became a third team All-American in her second season with the Cowgirls after helping lead the team to an appearance in the Women's College World Series.

Busby batted .376, hit 19 home runs and drove in 49 as a senior in 2021 to earn first team All-Big 12 and first team all-region honors. Her .794 slugging percentage set a single-season OSU record and her 19 home runs fell just one short of tying the Cowgirls' season record.

Busby was also recognized for her work in the classroom in 2021, earning first team academic All-Big 12, first team academic all-district and second team Academic All-America accolades.

40 Miranda Elish

Pitcher/Designated Player
Crown Point, Ind.

2022 Second Team NFCA All-American - P/DP

Miranda Elish was a standout as both a batter and a pitcher. The No. 1 national recruit coming out of high school, she played her first two collegiate seasons at Oregon before transferring to Texas, where she was honored as the 2020 national player of the year. She was one of the highest-profile players in the sport. As reigning national player of the year, she sent shockwaves through the softball community when she chose to sit out the 2021 season to prioritize her mental health.

Following the year off, she enrolled at Oklahoma State and earned second-team All-America honors after slashing .344/.422/.556 and setting career highs with seven home runs and 31 runs batted in. In the circle, she went 13-4 with a 2.09 earned run average and struck out 128 batters in 104.0 innings pitched. She sustained an injury to her pitching arm late in the season that forced her to have to stop pitching, but she continued to be a force at the plate for the Cowgirls' postseason run to the Women's College World Series.

While she was a star on the field, perhaps her most valuable contribution had nothing to do with softball - she was a frequent advocate for the importance of mental health and was a high-profile role model in that area.

Outfield
Purcell, Okla.

2022 Third Team Softball America All-American - OF

Katelynn Carwile enjoyed a breakout season in 2022 as one of the Cowgirls' most productive offensive weapons after tallying only 11 at-bats in the year before.

She reached base in 21 consecutive games at one point and earned All-American third team distinction from *Softball America* to become the Cowgirls' first All-American outfielder since Jaime Foutch was named to the NFCA third team in 1996. She was also honored as an NFCA first team all-region selection, a second team All-Big 12 selection and a first team Academic All-Big 12 selection.

Rachel Becker

Second Base
Lindenhurst, Ill.

2023 Second Team NFCA All-American - 2B

A two-time first team All-Big Ten honoree and 2022 third team All-America selection at Purdue, Rachel Becker graduate-transferred to Oklahoma State with the goal of experiencing elite level team success in her final year of eligibility. She achieved her goal by helping lift the Cowgirls to the 2023 Women's College World Series and earning second team All-America honors by the National Fastpitch Coaches Association. She was a first team All-American by *D1 Softball* and a third team selection by *Softball America*.

In her lone season as a Cowgirl, she led the nation with 22 doubles and ranked in the top 10 nationally with 81 hits (sixth), a .558 on base percentage (eighth) and 0.35 doubles per game (ninth). Becker set an OSU program record by reaching base safely in 49 consecutive games from February 10 to April 29. She led the Big 12 with a .443 batting average, a mark that ranked 11th nationally. Becker also led the conference in doubles, doubles per game, hits and on base percentage.

Additionally, she was a two-time Academic All-America honoree, earning third team honors while at Purdue in 2022 and second team recognition at Oklahoma State in 2023.

Kiley Naomi

Shortstop
Lafayette, La.

2023 Third Team NFCA All-American - SS

Kiley Naomi's legacy at Oklahoma State is one of success. An everyday starter on four Women's College World Series teams, Naomi was one of college softball's top shortstops throughout her career, but it wasn't until her final season of 2023 that she earned All-America distinction, securing third team recognition from the National Fastpitch Coaches Association.

A do-it-all performer who affected the game with her athleticism, speed, power, defense, consistency and leadership, Naomi was at the absolute core of the group that elevated Cowgirl Softball to the national elite from 2019-23. OSU made one WCWS trip in the 23 years prior to her arrival, but advanced to the game's largest stage every year with her in the lineup. While the OSU roster received short-term boosts from standout transfers throughout Naomi's career, she was a constant and by the end of her career was one of the most beloved players in school history.

She finished as Oklahoma State's all-time leader in runs scored and defensive assists and matched the program's career record with 47 home runs.

Caroline Wang

Catcher
Paris, Tenn.

2024 Third Team NFCA All-American - C

A two-time ASUN Player of the Year performer in her four years at Liberty (then Caroline Hudson), Caroline Wang joined the Cowgirls for her final year of eligibility to fulfill her dream of playing in a Women's College World Series. She achieved just that as she helped power the Cowgirls to the 2024 WCWS and earned third team All-America honors from the National Fastpitch Coaches Association to become the Cowgirls' first All-American catcher since Courtney Totte was named a third team selection in 2007.

In her lone but impactful year in Stillwater, Wang enjoyed the best statistical season of her career as she set the single-season home run record by a catcher (17) and paced the team with a .375 batting average. Her 17 homers ranked fourth in the Big 12 and she finished in the top 10 in the conference with 51 RBIs (ninth), a .712 slugging percentage (eighth), and 131 total bases (fifth).

Wang was also a two-time Academic All-American after picking up third team recognition while at Liberty in 2023 and first team honors at Oklahoma State in 2024.

^ Oklahoma State played in both the AIAW and the NCAA tournaments in 1982. The Cowgirls were 6-2 in the AIAW tournament and 2-2 in the NCAA tournament that season.

* Overall total for wins, losses and ties does not equal the number of home + away + neutral wins, losses and ties because of the missing records of individual games from the 1975, 1976 and 1977 seasons.

CAMPUS OF CHAMPIONS

Oklahoma State University

A land-grant institution with more than 35,000 students across a five-campus system, we've graduated more than 264,000 students to serve the state of Oklahoma, the nation and the world.

A bold aspiration

Oklahoma State University intends to become the nation's preeminent Land-Grant university

From their founding in the nineteenth century, Land-Grant universities have carried a distinctly American charge captured in the words of the Morrill Act of 1862:

"to promote the liberal and practical education of the industrial classes in the several pursuits and professions in life."

Through teaching, research and Extension, the Land-Grant institutions steward a timeless responsibility: to raise successive generations of servant-leaders; to engage as vital members of their communities; to bring research and new knowledge to bear to prepare students for the world they will enter; and to extend critical knowledge and expertise to meet society's most pressing problems — the "Grand Challenges" facing civilization.

Three Pillars

Instruction
OSU provides the highest quality education in a variety of different majors using the latest teaching methods.

Research
OSU is creating the next generation of scientists, thinkers and scholars through its tradition of research excellence.

Extension
OSU's Cooperative Extension connects people across the nation and world with the latest research and practical solutions.

Core Values

Community
Foster a strong sense of community based on shared governance among student, faculty, staff and administration.

Service
Serving others is a noble and worthy endeavor and distinguishing feature of a land-grant institution.

Steward of Resources
Dedicated to the efficient and effective use of resources and sustainability.

Excellence
Seek excellence in all endeavors and commitment to continuous improvement.

Integrity
Commitment to the principles of truth and honesty.

Intellectual Freedom
Believe in ethical and scholarly questioning that respects the rights of all to freely pursue knowledge.

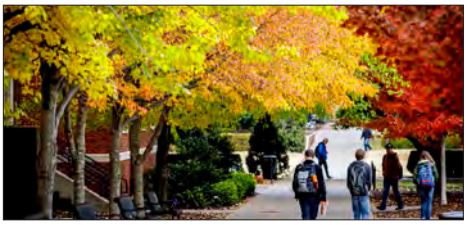
Hailing from all 50 states and more than 100 countries, we are united by the Cowboy Code.

- We end the day knowing we gave it everything we had.
- We dream as big as the sky.
- We know challenges come with pain, but pain will not win.
- We have a passion to do what's right, even when it's hard.
- We stand for what matters, even if we stand alone.
- We finish what we start.
- Being a Cowboy isn't in our clothes, it's in our character.

- Inspired by James P. Owen's 2004 book "Cowboy Ethics: What Wall Street Can Learn from The Code of the West."



Oklahoma State University, in compliance with Title VI and VII of the Civil Rights Act of 1964, Executive Order 11246 as amended, and Title IX of the Education Amendments of 1972 (Higher Education Act), the Americans with Disabilities Act of 1990, and other federal and state laws and regulations, does not discriminate on the basis of age, race, color, religion, sex, sexual orientation, genetic information, gender identity or expression, national origin, disability, protected veteran status, or other protected category, in any of its policies, practices or procedures. This provision includes, but is not limited to admissions, employment, financial aid, and educational services. OSU is a VEVRAA Federal Contractor and desires priority referrals of protected veterans for its openings. OSU will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. However, employees who have access to the compensation information of other employees or applicants as a part of their essential job functions cannot disclose the pay of other employees or applicants to individuals who do not otherwise have access to compensation information, unless the disclosure is (a) in response to a formal complaint or charge, (b) in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or (c) consistent with the contractor's legal duty to furnish information. The Director of Equal Opportunity, 408 Whitehurst, OSU, Stillwater, OK 74078-1035; Phone 405-744-5371; email: eeo@okstate.edu has been designated to handle inquiries regarding non-discrimination policies: Director of Equal Opportunity. Any person (student, faculty, or staff) who believes that discriminatory practices have been engaged in based on gender may discuss his or her concerns and file informal or formal complaints of possible violations of Title IX with OSU's Title IX Coordinator 405-744-9154." University President Dr. Kayse Shrum

Dr. Kayse Shrum

University President
Fourth Year | OSU College of Osteopathic Medicine

Oklahoma State University President Kayse Shrum is in her fourth year leading the largest university system in Oklahoma.

A collegiate student-athlete herself, Dr. Shrum competed as a softball pitcher at Connors State College before continuing her education at Northeastern State University and the University of Arkansas. She then earned her doctorate of osteopathic medicine from the OSU College of Osteopathic Medicine.

Her husband, Darren, was also a collegiate student-athlete at the University of Central Arkansas, and the two make it a point to attend as many athletic events as possible in order to recognize the hard work and dedication of OSU student-athletes, coaches and staff.

Since taking office in July 2021, Shrum has forged a new chapter for OSU — boldly facing challenges like conference realignment and COVID-19 while positioning the university for future success by embarking on a strategic planning process. The systemwide We Are Land-Grant strategy guides OSU's future and is securing its position as the nation's premier land-grant university — with a focus on creating and discovering solutions to societal problems, providing students with a world-class education and sending them into the world after graduation well-equipped to handle the challenges before them.

Throughout Shrum's tenure, OSU has set multiple enrollment records. During the 2023 school year, OSU saw the highest undergraduate enrollment in school history, the largest first-time freshman class in school history while also becoming Oklahoma's largest university system. OSU has also set enrollment records for non-residents, Honors College, Spears School of Business, Native American, first-generation, online students and new graduate students.

OSU has maintained flat tuition and mandatory fees for three straight years, emphasizing student access, STEM education and workforce readiness. In December 2023, Shrum launched OSU Polytech, which builds on OSU's decades of experience in applied and technical learning to directly address Oklahoma's high-tech workforce needs. Currently, over 3,700 students are enrolled in 60 polytechnic education programs in person and online across the system.

Her influence and forward-thinking approach have been instrumental in launching OSU's transdisciplinary institutes, including the 2022 opening of the OSU Human Performance and Nutrition Research Institute, or HPNRI. One key area of HPNRI's focus is on athletic trainers across the state.

Chad Weiberg assumed the role of Oklahoma State Vice President and Athletic Director in July of 2021 after having spent the previous four years as OSU's Deputy Athletic Director. In this role, Weiberg serves on President Kayse Shrum's leadership team that helps advance Oklahoma State's land grant mission and President Shrum's strategic initiatives for the institution.

The timing of his promotion to athletic director lined up with seismic shifts in national landscape of college sports. Realignment within the Big 12 Conference and the emergence of Name, Image and Likeness both occurred within a month of Weiberg's start date.

With that as the backdrop, in the modernized world of college athletics, Weiberg's OSU has been a force in competition. A sampling of Oklahoma State's accomplishments during his three years as athletic director:

- Oklahoma State won team national championships in equestrian (2022) and men's cross country (2023) and the women's tennis team won the 2024 ITA indoor national title.
- OSU won 15 Big 12 team conference championships across its 18 varsity sports.
- Oklahoma State finished in the top 25 of the Learfield Directors' Cup standings each year.
- Oklahoma State won the all-sports Phillips 66 Bedlam Series over in-state rival Oklahoma twice and tied the Bedlam Series once.
- The Cowboy Football team beat No. 5 Notre Dame in the 2021 Fiesta Bowl, had a winning record over Oklahoma and twice appeared in the Big 12 Championship Game.
- Oklahoma State produced 140 All-Americans, the highest three-year total in school history.

OSU's broad-based success reflects how the department has evolved in ways that produce a meaningful advantage. Some of key initiatives developed within OSU Athletics under Weiberg:

- The creation of a name, image and likeness department with a dedicated full-time director and assistant director.
- A partnership between OSU Athletics and the Spears School of Business to create the innovative Brand Squad, which pairs the best and brightest students in OSU's famed Spears

Athletic Director Chad Weiberg

As athletic director, Chad Weiberg hired head coaches Jacie Hoyt (women's basketball), Steve Lutz (men's basketball) and David Taylor (wrestling).

School of Business with student-athletes for the purpose of creating a personal brand and managing NIL opportunities, as well as coordinating with supporters establishing new collectives to provide NIL opportunities for OSU student-athletes.

- The creation of the POSSE STAR Fund to provide student-athletes financial rewards for achieving academic success in accordance with the Supreme Court ruling on Alston vs. NCAA.
- The creation of a student-athlete leadership and professional development program with a dedicated full-time director and assistant director to help best position student-athletes for success beyond sports.
- Numerous structural and cosmetic upgrades to Boone Pickens Stadium geared toward improving the fan experience.
- Launching of the OSU Athletics Vision Plan, which is highlighted by a new Human Performance and Innovation Complex and football center, upgrades to Boone Pickens Stadium and entirely new competition facilities for softball and indoor track and field, practice facilities for wrestling and men's and women's basketball and upgrades to Karsten Creek Golf Course, the Pedigo-Hull Equestrian Center and to Gallagher-Iba Arena.
- A partnership with Sport and Story to create OSU's own streaming service, OSU Max.

Weiberg has made three head coach hires, successfully recruiting Jacie Hoyt (women's basketball), Steve Lutz (men's basketball) and David Taylor (wrestling) to Stillwater.

Oklahoma State hosted NCAA Championship events in men's and women's cross country (2022), wrestling (2023) and men's and women's tennis (2024) under Weiberg, providing the Cowboys and Cowgirls with added visibility on the national level.

Also on the national level, Weiberg was on the College Football Playoff Future Format Athletic Directors Focus Group and beginning in September of 2024, joins the NCAA Division I men's basketball committee for a five-year term.

In 2023-24, he served as chair of the Big 12 Athletic Directors.

Prior to his elevation to athletic director, Weiberg served as OSU's Deputy Athletic Director from 2017-21. In that role, Weiberg was the chief operating officer, second-in-command and responsible for the day-to-day operations of the athletics department. He served as Athletic Director Mike Holder's administrative liaison for football and men's basketball and was responsible for football scheduling.

During his time as Deputy AD, he played a significant role in successfully navigating OSU Athletics through the COVID pandemic. Notably, he developed a partnership with the Oklahoma State University Center for Health Sciences that helped produce the planning and resources to keep Cowboy and Cowgirl student-athletes healthy, safe and ready for competition.

Weiberg was a key figure in several important initiatives that benefited student-athletes and fans alike. A little more than one year after Weiberg's arrival, OSU added a director of counseling and sport psychology position within the athletic department to better serve the mental health of student-athletes.

He also played a key part in improving OSU's gameday experience. Highlights include the addition of one of the largest video boards at a college-only football stadium, the addition of alcohol sales at OSU athletic venues and expanded concession offerings.

Weiberg is a 1994 OSU graduate with a degree in business administration. He earned a master's in business administration from OSU in 2002. After earning his undergraduate degree, he served as the director of corporate sales and donor relations for OSU Athletics until 1999. He served as senior director of field operations for the OSU Alumni Association from 1999-2002 before becoming the director of development for the OSU Foundation/College of Business Administration from 2002-03. He held a similar role for OSU Athletics from 2003-04 before moving to Kansas State.

At K-State, Weiberg served the KSU Foundation as Director of Corporate Relations for a year before becoming the Director of Major Gifts for K-State Athletics in 2005. Weiberg assumed the lead role for K-State Athletics' Ahearn Fund in 2009 and, for his team's efforts, was recognized as the National Fundraiser of the Year by the National Association of Athletic Development Directors in 2014. Weiberg was the Senior Associate Athletic Director for Development when he left K-State in 2015 to become Deputy Director of Athletics at Texas Tech University, a role in which he served for two years before returning to his alma mater in 2017.

College athletics have played a key role in Weiberg's life from an early age. His father, Mick, and brother, Brett were both college basketball head coaches and his brother, Jared, played basketball at OSU under Eddie Sutton for a year before moving into the role of team manager. Weiberg's uncle, Kevin, served as commissioner of the Big 12.

Weiberg and his wife, Jodi, have two children, Ella and Grant.

Olympic Medalists

Oklahoma State and the Olympic Games

Oklahoma State has produced 119 Olympians all-time and entering the 2024 Paris Games, 33 earned a medal - 20 gold, five silver and eight bronze.

OSU has been represented at every Olympic Summer Games in which the United States has competed in since 1924.

Oklahoma State has produced at least one medalist in 19 of the last 20 Olympic Summer Games in which the United States has competed since 1932. The lone exception was in 1972, when the Henry Iba-coached Team USA men's basketball team chose to not accept silver medals following a controversial result against the Soviet Union in the gold medal game.

Included among Oklahoma State's Olympic gold medalists are a quartet of two-time winners - wrestlers Yojiro Uetake and John Smith, men's basketball star Bob Kurland and softball pitching ace Michele Smith.

- The Learfield Directors' Cup honors institutions and evaluates success in all sports, men's and women's. The Directors' Cup allows athletic departments to measure the success of each sports program evenly and does not weigh the success in one sport above the success in another.
- Because Oklahoma State does not sponsor women's volleyball and does not get credit for its performance in equestrian, it has only 17 sports eligible for Learfield Directors' Cup scoring, while most others count points from 19 sports. Operating with a two-sport handicap, Oklahoma State has still finished in the top 25 nationally the last four years and has finished in the top three of the Big 12 each of the last six years.

Phillips 66 Bedlam Series

The Bedlam Series is calculated by straight wins and losses in head to head competition. In sports where there is no head to head matchup, the Big 12 Championship final standings are used.

While Oklahoma State and Oklahoma have been in competition for more than 100 years, the all-sports Bedlam Series did not come into existence until the 1999-2000 academic year.

The All-Time Greats

The highest honor the Oklahoma State Athletic Department can bestow upon its former student-athletes, coaches and staff is induction into the OSU Athletics Hall of Honor. Inductees are immortalized with a permanent display on the concourse level of Gallagher-Iba Arena, outside the O-Club room on the arena's west side.

Name, Image and Likeness and POSSE STAR Fund

Oklahoma State is at the very forefront of the Name, Image and Likeness era of college sports and has the accolades to prove it.

OSU was the only Big 12 school recognized as a national finalist for Best Institutional Program at the inaugural NIL Awards at the INFLCR NIL Summit in 2022.

OSU's reputation as an NIL leader was earned not through hype, but through planning and then executing a strategy that placed maximizing NIL opportunities for student-athletes as the top priority.

A sampling of what NIL looks like at Oklahoma State:

Oklahoma State sprinter Tori Ortiz secured an NIL partnership with the WWE, among many others.

▶ OSU Athletics partnered with the renowned Spears School of Business to form the best-in-class Brand Squad – a group of business students who help connect OSU students with NIL partners at no cost to the students.

▶ OSU Athletics appointed Barry Hinson as Associate Athletic Director for Name, Image and Likeness – a new position geared specifically toward identifying and promoting NIL opportunities for its student-athletes.

▶ OSU partnered with industry leader Altius Sports to provide a national perspective and guidance to OSU's NIL programming.

▶ OSU partnered with the Brandr Group, One Team and Fanatics to create group licensing opportunities for its student-athletes, such as selling jerseys and other merchandise co-branded with official OSU marks and the student-athletes' name, image and likeness.

▶ OSU was an early adopter in helping student-athletes with their individual brand-building efforts through the use of professional-quality photos and videos.

▶ OSU provides ongoing rules education to the nonprofit collective Pokes with a Purpose, which pairs OSU student-athletes with local charities in a way that enables the student-athletes to use their name, image and likeness to raise awareness and funds for causes of their choosing.

▶ OSU Athletics has a standing NIL committee that meets weekly to identify, discuss and pursue NIL opportunities and partnerships that benefit its student-athletes.

▶ While it is not directly tied to NIL, OSU launched the POSSE Star Fund to provide student-athletes with additional education-related benefits including direct financial support in the form of academic achievement awards, up to the legally established maximum of $5,980 per year. In order to receive the full allotment, student-athletes must go through financial planning and education provided through a partnership between OSU Athletics and Simmons Bank.

The OSU NIL marketplace makes it easier than ever for fans and potential name, image and likeness partners to browse and connect with OSU student-athletes by visiting okstate.com/marketplace

Student-Athlete Leadership and Professional Development

Every athletic department has a goal of winning championships, which is something we know a thing or two about here at Oklahoma State. A quick glance to the rafters in Gallagher-Iba Arena illustrates that.

But in addition to banners, developing the next generation of leaders away from the field is a priority for OSU Athletic Director Chad Weiberg, and he made that clear with a key hire just weeks after taking the reins as athletic director in 2021.

Jawauna Harding re-joined the OSU Athletics family to head up our Student-Athlete Leadership and Professional Development office, which is charged with building initiatives and programming focused on the OSU ideal graduate competencies of professional preparedness, ethical leadership, engaged citizenship, and personal responsibility. Additionally, she oversees impact initiatives for OSU Athletics.

Her goal is to enhance the student-athlete experience and prepare them for life after OSU. Through one-on-one meetings, guest speakers, experiential learning and special events, each student-athlete gains access to professional development tools and job search support.

"OSU student-athletes possess valuable skills sought after by employers," Harding explains. "They excel in teamwork, adaptability, and time management. They've been immersed in organizational leadership systems their entire careers. Companies should see the value in providing internships and jobs that help our athletes transition these skills into professional careers."

To achieve this, Harding added two additional positions. Assistant Athletic Director Tia Harring, who previously oversaw marketing and fan engagement, now focuses on student-athlete leadership development and established GoPokes Connect, a mentorship program pairing student-athletes with alumni-athletes.

Career Coach Lerin Lynch, formerly of the Alumni Association, helps student-athletes build their professional toolbox. This includes résumé development, career coaching, and essential professional skills.

"Investing in the holistic well-being of our student-athletes is paramount," Harding said. "Hiring Tia and Lerin strengthened our ability to better support student-athletes in their professional and leadership development."

While the department empowers student-athletes through the Student-Athlete Advisory Committee (SAAC) and community engagement projects, Harding seeks to expand employment options for them.

"Student-athletes have unique skills and unique schedules," Harding said. "Our next step is to find new, innovative ways to provide experiential learning for all our student-athletes."

Mental Health and Wellness

Oklahoma State student-athletes have access to Dr. Trevor Richardson, who leads a four-person team of trained mental health professionals dedicated to serving the needs of OSU student-athletes. Most schools have just one - if any - mental health professionals on full-time staff.

The team's approach to mental health is built through relationships and providing ongoing support.

"Around here, we like the old proverb of if you give a person a fish, you'll feed them once. If you teach them to fish, you'll feed them for a lifetime." Richardson said. "That's kind of how we approach mental health – we want to equip our people with knowledge and strategies they can use long into the future."

For Richardson, a two-time Oklahoma State graduate who joined the athletic department after more than 10 years on campus as part of OSU Counseling Services, being a mental health resource for OSU student-athletes is not just his profession, it's personal.

There is a misconception that seeking help in the area of mental health is a sign of weakness. Richardson said that is not the case.

"It's a sign of strength to ask for help in mental health because it shows you are secure in yourself," Richardson said. "This is about courage. People who take part in this process show courage and sometimes they view it as a sign of weakness because of what they've been conditioned to think. When you run from something that needs to be addressed, sooner or later it catches up with you. To sit down and take that big, scary, unpleasant thing on and talk with someone about it, that takes real courage."

Honoring Academic Success

The Oklahoma State Scholar-Athlete of the Year Award acknowledges the remarkable character and performance of one male and one female student-athlete. As the highest honor presented among OSU student-athletes, this award reflects exemplary performance in academic endeavors, athletic activities, and a commitment to community engagement. The award recognizes exceptional character of the student-athlete and a remarkable dedication to academic performance.

The award was initially presented in 1994 as the OSU Student-Athlete of the Year, but the title changed to OSU Scholar-Athlete of the Year in 2015.

Maddison Hinson-Tolchard (golf) and Alex Maier (cross country/track and field) were honored as OSU's 2024 Scholar-Athletes of the Year.

We Will *Always* Remember

On January 27, 2001, 10 members of the Oklahoma State Cowboy Basketball family passed away after a plane crash on the way home from a game at Colorado. To this day, the legacy of those Cowboys is honored. Each year, 10 OSU students are selected as Remember the 10 scholarship recipients and the charitable Remember the 10 Run generates significant donations to University Counseling Services.

A Night to Shine

Oklahoma State student-athletes walk the orange carpet at the Cowboy Choice Awards, which has become a highly-anticipated event on the annual calendar, in part because of the awards themselves and in part because it is an opportunity for student-athletes from all sports to come together off the field for a fun and enjoyable evening.

In the Heart of it All

Oklahoma State University serves nearly 25,000 students at its Stillwater campus, with 26% of the student body coming from out of state. Students from all 50 states and over 100 countries call Stillwater home.

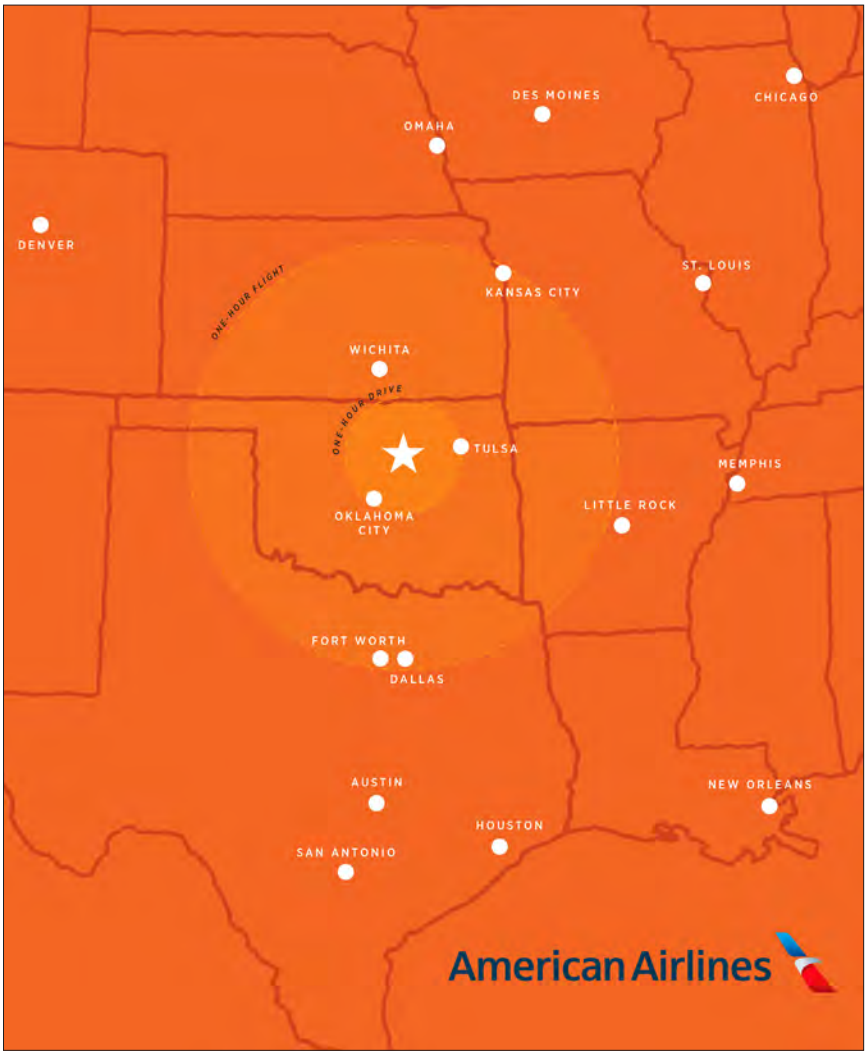
Stillwater is centrally located between Oklahoma City and Tulsa, just an hour's drive away from the two largest metro areas in the state of Oklahoma.

Stillwater Regional Airport provides daily nonstop American Airlines flights to and from Dallas/Fort Worth International Airport. A single one-hour connecting flight to DFW is all that separates OSU from traveling to New York, Los Angeles, London, Tokyo, Sydney and more of the world's greatest destinations.

Additional direct service to and from Stillwater may also be coming.

Stillwater Regional's 7,400-foot main runway can easily accommodate aircraft such as the Boeing 737 and Airbus A320, simplifying team travel for OSU and any opponents making the trip to Cowboy Country.

Further improvements to Stillwater Regional's facilities include a proposed expansion to the airport's terminal that would triple its current size.



Noting Stillwater

The population of Stillwater is about 50,000 and with Oklahoma State University as its heart, it comes as no surprise that approximately 50 percent of Stillwater residents age 25 years or older have a bachelor's degree.

Average Climate

Summer: 69-91 degrees
Fall: 48-73 degrees

Incredible Fan Support

Oklahoma State has a passionate fanbase that appreciates success across all sports and as a result, OSU enjoys an overwhelming advantage when playing at home.

America's Greatest Homecoming

OSU's very first Homecoming was held as part of the Harvest Carnival in the fall of 1913, but it wasn't until seven years later that the OSU Alumni Association hosted its first official Homecoming celebration. On October 30, 1920, 90 Oklahoma A&M alumni returned to Stillwater for festivities including the Aggie football game plus a dance and a dinner hosted by Alumni Association President Monroe Otey.

Of the 90 alumni in attendance, 50 were from the Stillwater area and 40 were from out of state. It was also in the '20s the now-famous tradition of house decorations began when sororities started to decorate their doorways.

In 1930, the first ever Homecoming Parade, a mile long, made its way down Main Street. More than 17,000 alumni returned to Oklahoma A&M that year to renew old friendships and show their pride in the Orange and Black.

In 1942 and 1944, Homecoming was combined with Dads' and Mothers' days and sponsored by the YMCA, YWCA, Dads' and Mothers' Day Association and the Alumni Association. The combination was a result of World War II and impending gas rationing to occur. Even with the gas rationing and cutbacks on parade floats, decorations and visiting bands, the football game and reunion functions were still well attended.

Following the war in 1946, there was a record attendance of 20,000 alumni and the largest parade was held including more than 50 floats, six bands and other community entries. Over time, the size of the house decorations overtook those of parade floats. In 1966, vehicles were abandoned and onlookers tried a new experiment - they simply "walked around" to view the decorations. Three years later, house decorations began being judged and scored.

New events like the Sign Competition, Football Frenzy and Chili Cook-Off were added in recent decades. Since that time, the event has grown and today is recognized as "America's Greatest Homecoming Celebration," drawing more than 80,000 alumni back to campus each year.

CASE International (Council for Advancement and Support of Education) has recognized OSU's Homecoming as a Seal of Excellence recipient. This is the highest award given by CASE in the field of Alumni Relations. This prestigious award is given only to programs that serve as models for others. OSU was recognized for the widespread participation and outstanding organization of its Homecoming program.

Most recently, the Homecoming celebration has launched onto the world wide web with photo albums, video highlights and live streams of Walkaround and the Sea of Orange Parade.

In 2010, the OSU Alumni Association began fundraising for the $3 million Homecoming and Student Programs Endowment as part of the $1 billion Branding Success campaign. OSU is one of the only schools left in the nation with an event like Walkaround, and once fully funded, the endowment will ensure future generations of Cowboys will be able to experience "America's Greatest Homecoming Celebration" as we know it today.

OSU's Homecoming is presented by the OSU Alumni Association and is planned by the student-driven Homecoming Executive, Steering and Big committees. OSU's Homecoming is a longstanding, exciting and colorful tradition for both campus and community.

The Cowboys

Dating back to the 1890s, Oklahoma A&M sports teams had been referred to as Agriculturists or Aggies, the Farmers, and officially but unpopularly, the Tigers. But by 1924, Charles Saulsberry, sports editor of the *Oklahoma City Times*, and other writers who regularly covered college events, had begun to refer to Stillwater's teams as the A&M Cowboys. Reporters' constant search of colorful synonyms started sprinkling Cowpokes, Pokes, Waddies, Cowpunchers and Punchers in conversation. "Cowboys" had a Southwestern flavor and flair that fit like a favorite pair of boots.

The Athletic Council authorized athletics director Edward C. Gallagher to have 2,000 balloons printed, "Oklahoma Aggies—Ride 'Em Cowboy" for sale at football games in 1926.

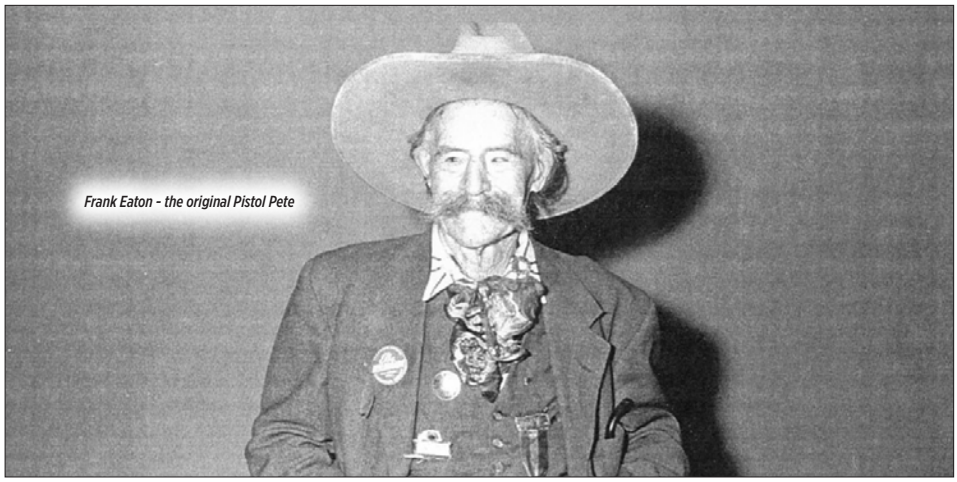
Pistol Pete

(excerpt from text written by Lance Millis)

Around 1923, when Oklahoma A&M College was searching for a new mascot to replace its tiger (copied along with the school's orange and black colors, from university founders who hailed from Princeton), a group of students saw Frank Eaton leading the Armistice Day Parade. He was approached to see if he would be interested in being the model for the new mascot, and he agreed. A likeness was drawn and began to be used on sweatshirts, stickers, etc., and a tradition was born.

That caricature was the basis for what is used today as the official Oklahoma State University mascot. For 35 years, the crusty old cowboy was a living symbol of OSU, representing the colorful past of the area. As such, he would attend OSU athletic events, building dedications, etc., and sign autographs, pose for photographs and reminisce about the Old West with anyone who would listen.

To this day, his likeness is a visible reminder of the Old West to literally millions of people yearly as a symbol of colleges whose mascots pay homage to the cowboy. Each year, OSU students tryout for Pistol Pete. A panel of former "Petes" judge the tryouts and select the two best candidates based on an interview, a mime, and posing as mascot in different "game situations." The two who are selected split the approximately 500 appearances annually. These appearances include all athletic events, pep rallies, business openings, weddings, birthday parties, and public school events.



Frank Eaton - the original Pistol Pete

Frank Eaton - Before Pistol Pete

"My boy, may an old man's curse rest upon you, if you do not try to avenge your father...You must never stop until they are all accounted for!" These words, according to one of Eaton's many stories, were spoken by a family friend following the brutal murder of his father, and guided the formative years of Frank's life.

Born in 1860, in Hartford, Connecticut, Frank moved with his family to Kansas shortly after the close of the Civil War. When Frank was eight years old, his father, a former Union soldier, was shot and killed by a group of lawless former Confederates. Frank was a witness to the murder and each of the murderers' faces was imprinted in his memory.

After being challenged to avenge his father's death by Mose Beaman, (the family friend), Frank set out to learn how to handle guns. Mose gave him a gun and holster, and taught him how to handle and shoot guns. Frank quickly learned to "shoot a snake's head off with either hand". During the next few years, Frank's days were spent helping his mother with chores and practicing shooting. With each passing year, he became faster and more accurate with his guns.

When Frank was 15, he learned of the location of one of his father's killers. After deciding it was almost time to set out on his mission, Frank wanted to make sure his shooting skills were good enough. He decided to visit Fort Gibson, a cavalry fort, to try to learn more about handling a gun. There he competed with the cavalry's best marksmen, beating them each time. After many competitions, the fort's commanding officer, Colonel Copinger gave Frank a marksmanship badge and a new name. From that day forward, Frank would be known as Pistol Pete.

Bullet is a regular part of the Cowboy football game day experience.

Bullet

The Oklahoma State University Cowboys have many symbols of their western heritage, but none is more appropriate than their mascot, Bullet. The Spirit Rider program debuted in 1984 with the first few Spirit Riders providing their own horse to serve as mascot for the OSU Cowboys.

However, in 1988, Stars Parr Money was donated to the OSU Athletic Department to be used specifically as the mascot. Since that time, Bullet has delighted crowds with his traditional sprint across the football field following every Cowboy touchdown. The heart of the Cowboy Spirit Rider Program, Bullet is not only seen at Boone Pickens Stadium and other OSU football games, he's made appearances at local elementary schools, parades, rodeos and other special events, including the opening ceremonies of the Oklahoma State Special Olympics.

The tradition of the Spirit Rider can be attributed to the late Eddy Finley, who wanted to promote school spirit the "cowboy way," on horseback. Since that time, additional support has come for the Spirit Rider and Bullet, much of it due to Finley's hard work. A horse trailer, custom-tooled saddle and uniform dress for the Spirit Rider and ground crew have been donated to OSU. In honor of the Spirit Rider and its tradition, Jim Hamilton sculpted the Spirit Rider bronze statue that sits just south of the Greenwood Tennis Center.

The Waving Song

Victor Herbert was inadvertently responsible for a deeply entrenched facet of A&M athletic tradition, the waving song. His lyricist was speech instructor H.G. Seldy Seldombridge. In 1908, Seldombridge had gone to Columbia University to scout for a senior class play. While there, he heard In Old New York, the hit song from the operetta The Red Mill. Even New Yorkers were humming the song on city streets, and Seldombridge returned to Oklahoma humming it, too.

Shortly thereafter, he incorporated In Old New York into the closing number of a college follies show being rehearsed in Stillwater's Grand Opera House. But as he studied the stage decorated in orange and black for a campus scene, he realized that New York's praises were out of place for a southwestern college setting.

"Suddenly OAMC flashed to my mind," he explained in 1941. He asked the 30-voice choir to take a break, grabbed a piece of wrapping paper, hummed, and scribbled. In less than ten minutes he had the alternate lyrics that would enliven sports events long after opening night.

For that finale, a letterman representing each sport joined the chorus onstage. The students added their own memorable touch. They swayed and sang "OAMC! OAMC! We'll sing your praise tonight," as they waved to the audience in unison.

It almost raised the roof off the old building, noted Seldombridge, who left the campus in 1910. Exhilarated, the crowd surged to its feet and returned the rhythmic wave. It took two encores before the campus and community gathering was willing to relinquish the emotion of the moment.

"From that night on, you could frequently hear someone whistling the tune," he recalled, touched that OAMC's waving song was remembered as late as 1941.

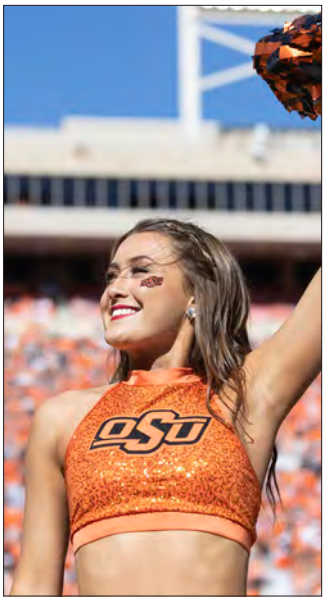
The Waving Song tradition continues to this day with OSU fans rising to their feet and waving one arm in rhythm with the song after scores in football and following victories in other sports. Contrary to popular misconception, this tradition should not be referred to as "Waving the Wheat," which is the name of the two-armed wave adopted by University of Kansas fans.

The Waving Song Lyrics

Oklahoma State! Oklahoma State!
We'll sing your praise tonight;
To let you know where e're we go,
For the Orange and Black we'll fight
We'll sing your worth o'er all the Earth
And shout: Ki Yi! Ki Ye!
In books of fame we'll write your name,
Oklahoma State!

"Ride 'Em Cowboys" Lyrics

Ride, ride, ride, ride,
Ride'em Cowboys,
Right down the field!
Fight! Fight! Fight! Fight!
Fight'em Cowboys, and never yield.!
Ride, ride, ride, ride,
Ride on, Cowboys, to victory;
Cross (opponent)s goal;
Then we'll sing 'O-kla-homa State!'



OSU Alma Mater Hymn

Across several different sports, following victories, OSU teams gather in front of the student section to sing the alma mater. All fans, students and non-students are encouraged to remain in the stands after OSU victories and join the Cowboys for the Alma Mater hymn.

Alma Mater Hymn Lyrics

Proud and immortal
Bright Shines Your Name
Oklahoma State
We Herald Your Fame
Ever You'll Find Us
Loyal and True
To Our Alma Mater

OSU Athletics Vision Plan

Looking into the Future

Oklahoma State is strengthening its position within the national landscape of college athletics with the unveiling of the athletics facilities vision plan announced by Athletic Director Chad Weiberg.

The plan focuses on providing for the success of the student-athletes, improving the fan experience, and bolstering the University's ability to attract student-athletes across all programs through the creation of a unified and connected athletic village unrivaled in college sports.

Included in the plan are a new football operations center, a new wrestling training facility, a new softball stadium, an indoor track, a new training center for basketball, upgrades to the Pedigo-Hull Equestrian Center and to Karsten Creek Golf Course and repurposed areas in the west end zone of Boone Pickens Stadium and Gallagher-Iba Arena for student-athlete services that include a new academics center and spaces for mental health, leadership and career development.

The athletics vision plan comes at an estimated cost of approximately $325 million. The implementation and order of construction will be determined as funding becomes available for each individual element.

"This is a time of conference realignment and unprecedented transformation in college athletics," Weiberg said. "With a history that includes 52 NCAA titles, for us to continue to achieve championship results, now is not the time to pause or rest on past accomplishments, but to honor those accomplishments by pushing forward and building upon what has been started. This vision plan provides a road map for the next phase of an athletics village that will be unrivaled in collegiate sports."

The plan is in its conceptual stages.

OSU Athletics Vision Plan

Human Performance Innovation Complex and Football Center

In December of 2022, Oklahoma State University announced its new Human Performance and Nutrition Research Institute with the goal of impacting every community in Oklahoma.

Due to available space and to maximize efficiencies, the institute headquarters will share a roof with the new operations home of Cowboy Football and will be located immediately adjacent to the existing practice fields and the Sherman E. Smith Training Center.

Sharing the same footprint will maximize efficiencies of key elements of the Human Performance And Nutrition Research Institute and Cowboy Football.

Vacated space in the west end zone of Boone Pickens Stadium creates tremendous benefits for student-athletes in every sport and accommodates an athletic department that has grown in recent years to include new areas dedicated to student-athlete success, mental and physical wellness, leadership and professional development.

While the institute itself is funded by the university, the Cowboy Football program will have its own space within the building paid for by athletics funds and private donations.

The 2009 upgrades to Boone Pickens Stadium played a significant role in OSU's rise to college football prominence. It also launched a larger mindset – one that Cowboy Football is truly capable of ascending to the highest level of the sport. This new facility provides an opportunity for OSU to reaffirm its commitment to being a national force moving forward.

Student-Athlete Success Center

The program areas currently occupied by OSU Football in the west end zone of Boone Pickens Stadium will be renovated following completion of Human Performance Innovation and Football Center. This includes both student-athlete and coaches/staff areas in the stadium which are currently located on the arena and lower club Levels.

The existing Student-Athlete Dining and Training Table would be expanded and renovated. Premium areas, including both club areas and seating and additional suites would be added, offering new seating types and amenities. Existing student-athlete support programs such as academic services, student athlete development and mental health could be relocated from Gallagher-Iba Arena to the stadium. Sports medicine, along with strength and conditioning could also be expanded and located in the west end zone, offering a central training and recovery space for all student-athletes.

In addition, offices and work areas for OSU Athletics creative teams, encompassing operations, graphic design, creative content and communications would be relocated to Boone Pickens Stadium.

Boone Pickens Stadium

Between 2003 and 2009, Lewis Field expanded and was officially rededicated as Boone Pickens Stadium on September 5, 2009. The expansion included adding nearly 4,000 club seats and 123 suites and connected the north and south by creating a continuous seating bowl in the west end zone. Over time the original seating on the north and south sides stadium bowl has required annual maintenance, resulting in increased repair costs, necessitating the replacement of the existing seating treads and risers. This need allowed OSU Athletics to plan the modernization and improvement of the fan experience in Boone Pickens Stadium.

Following the 2022 football season, work began on a two-year stadium project, beginning on the north side. That scope of work begins at the 200 level with the addition of a cross aisle to the existing seating treads and risers at the 300 level, expanding tread depths and new entrances. The project includes replacing benches, adding stadium seats in some sections, additional aisles, and adding handrails for safety. New intermediate aisles will be located between the existing entrances, reducing the amount of seating between aisles.

Following the 2023 football season, the south will be replaced in a similar fashion. The project includes new entrances at the lower 200 levels, replacing benches, adding stadium seats, additional aisles and adding handrails.

This renovation will keep the overall vision of Boone Pickens Stadium intact, marrying the north, west and south seating sections, and maintaining the existing 100, 200 and 300 level seating bowl levels.

OSU Athletics Vision Plan

Softball Stadium

The plan includes a new softball facility partially located on the former site of Allie P. Reynolds Stadium. The new home of Cowgirl Softball will provide modern amenities suitable for a premier collegiate softball program and will include championship caliber player-development areas. In addition, typical chairback seating, tailgating corrals, and family friendly areas to enhance the fan experience are planned.

Following the demolition of Allie P. Reynolds Stadium, the project will also create opportunities for additional parking for on-campus residents.

Indoor Track and Field

The men's and women's track and field programs support over 100 student-athletes. These athletes require year-round training and competition space. The vision plan proposes an indoor track and field facility south of the existing outdoor track and field complex. The proposed site is bordered by McElroy Road to the north, the Sherman E. Smith Training Center to the south, the Michael and Anne Greenwood Tennis Center to the west, and North Knoblock Street to the east.

This parcel of land is ideally sized for a full indoor track program. It will include a 200 meter banked track, indoor field event space, spectator seating, athletic training rooms, team meeting/theater spaces, locker rooms, player lounges, and offices for coaching staff.

In addition to strengthening training and development for the track and field programs, this new facility will act as a dynamic new recruiting tool for an already nationally prominent program.

Wrestling Practice Facility

Cowboy Wrestling is the most successful program in the history of the NCAA, regardless of sport. Entering the 2022-23 academic year, Oklahoma State wrestling had won 34 team national championships, 143 individual NCAA championships and had 475 All-Americans. The plan proposes an addition to the existing facility, which would support the ongoing success of OSU Wrestling.

While the program recently received an upgrade to its locker room, additional space is needed to sustain the success of the program.

This addition will increase the size of the wrestling room, allowing for additional mat space and championship-level team amenities. While the team will always compete inside the famous Gallagher-Iba Arena, the training facility will feature a dedicated space for spectators that will enhance recruiting and donor visits. This training facility will also house office and meeting spaces for the coaching staff.

OSU Athletics Vision Plan

Basketball Practice Facility

OSU's basketball programs have a rich history of success. Since the Cowboys' first game in 1908, OSU has won two national championships and appeared in six Final Fours. In the Big 12, only Kansas exceeds those totals. With 17 postseason appearances and three conference championships, the Cowgirls are continuing to build on an already-established tradition.

While having the benefit of utilizing the game court and backdrop of Gallagher-Iba Arena for practice can be an advantage for both programs, at times they are displaced during other athletic and campus events. A new practice facility is essential in helping both basketball programs continue to recruit, develop and train student-athletes to compete for championships.

The vision plan proposes an addition on the south side of the arena featuring two practice courts and other championship-caliber training spaces.

Pedigo-Hull Equestrian Center

Building off the historic 2021-22 season in which the program captured its eighth Big 12 Conference title and its first overall NCEA national championship, several updates to Pedigo-Hull Equestrian Center are planned.

Similar in size and scope to the Atherton Family Arena, an additional covered arena will be added to the Pedigo-Hull Equestrian Center.

Currently the primary practice arena, the Atherton Family Arena is a 135x270 square foot covered arena. The team also uses the Totusek Indoor Arena, a 100x200 foot climate-controlled facility. The Pedigo-Hull Equestrian Center consists of a saddling barn that includes coaches' offices, locker rooms, a tack room and an athletic training satellite office. It also has a 24-stall horse barn with outdoor runs and several paddocks and pastures. A new multi-purpose team building that includes a team lounge with study area and a fueling station was completed in 2021.

Karsten Creek Golf Course

Opened in 1994, Karsten Creek Golf Course was quickly named the "Best New Course" in the country by Golf Digest. The undulating fairways and challenging bunkers were originally created by renowned golf course designer Tom Fazio. Complementing the course are the clubhouse, three multi-level guest lodges, and a practice and teaching facility. While the course and related amenities have stood the test of time, renovations are needed to improve the facilities infrastructure, create a more challenging course, and enhance the skills of the student-athlete.

Course enhancement will include new irrigation, drainage, fairways, cart paths, and greens. Bunkers and tee boxes will be adjusted to increase the difficulty of play and advance the skills of the golfers. The practice facility will also be renovated to improve the tee boxes, landing zones, short game area and practice putting greens.

Originally constructed in 1997, the indoor practice facility will be upgraded to include state-of-the-art equipment.

Gallagher-Iba Arena Welcome Plaza

Since 1938, Gallagher-Iba Arena has been known as one of the great venues in collegiate athletics. Over time, however, the original east facade of the building has lost its unique prominence as the main gateway of the venue. This project seeks to revive this entrance, creating the welcome that OSU fans and athletes deserve. The plan also proposes adding premium parking and tailgating experiences to enhance the fan experience from the moment they arrive for an event.

The proposed Gallagher-Iba Welcome Plaza parking expansion will create approximately 250 new parking spaces nestled in a park-like setting.

In addition to creating parking, public plaza and walkway, fans will experience an arrival sequence similar to that of Boone Pickens Stadium. With new fan-focused offerings, OSU will have new opportunities to generate revenue.

THE PROGRAM

Cowgirl Stadium

Entering the 2025 season, OSU is 120-16 at home since 2019.

The popularity of softball is growing at an explosive rate and at the very front edge of that growth is Oklahoma State. Part of the Cowgirls' rise can be attributed to the overwhelming home field advantage OSU enjoys at Cowgirl Stadium.

The venue originally opened in 2000, but key additions in recent years have created a big-game atmosphere unlike any other within the sport.

The most visible of those additions are the wooden corrals beyond the outfield fence that are home to some of the loudest, wildest and most passionate and difference-making fans in college softball.

Since Cowgirl Stadium added those corrals prior to the 2020 season, OSU is 82-12 at home. While the corrals – and the fans they house – were a game-changing addition to Cowgirl Stadium, the facility itself has undergone several upgrades since opening.

One key addition came prior to the 2018 season when Michael and Anne Greenwood spearheaded the complete renovation of the Oklahoma State locker room. The space was fully redone and, in tandem with the facility's updated clubhouse/lounge, give the Cowgirls a space to relax and be together off the field.

Cowgirl Stadium

More recent upgrades came prior to the 2022 season and include a new padded outfield fence, a new batter's eye, a new outfield playing surface and an updated scoreboard. Additionally, technology was added throughout the stadium to track modern performance analytics.

Cowgirl Stadium officially opened on April 5, 2000, for a game against Bedlam rival Oklahoma. It was built at a cost of approximately $2 million on the same site as Cowgirl Field, the home of the Cowgirls for more than 20 years.

Construction on the facility started on June 14th, 1999. However, the plan had been in motion for much longer. When the Oklahoma State football game versus the Nebraska Huskers was moved to Kansas City's Arrowhead Stadium on Oct. 3, 1998, it was determined that the money made from the game's sponsor, Western Star, would be used to finance the facility.

The first phase of construction included new dugouts, a permanent concession stand, and bathroom facilities. Further additions were completed in 2002, including the coaches' offices, Cowgirl locker room, a players' lounge and training room located behind the home dugout. In 2004, a state-of-the-art scoreboard, complete with a message board center, was put in.

A new infield was installed in 2005. Since then, it has steadily morphed into its current form and given Oklahoma State the kind of home field advantage that has helped the program to the very front edge of the sport of softball.

Consecutive Semesters With A 3.0+ Team GPA

The Cowgirls have maintained a 3.0 or better grade point average in each of the past 21 semesters, dating back to the fall of 2013.

Cowgirl softball achieved the highest team grade point average in program history during the spring of 2020 at 3.625.

In 2021, 15 Cowgirls earned a spot on the Academic All-Big 12 team, which set a new program record. At the time, it was the most selections from a softball team in the history of the conference.

Since the 2012-13 academic year, Oklahoma State softball leads the Big 12 Conference in Academic All-Big 12 selections (117) and first-team selections (101), as well as students nominated with a 4.0 GPA (18).

Oklahoma State has had 22 softball players named to the College Sports Communicators (CSC) Academic All-America team, including an NCAA-best five selections in 2023.

Since 2016, 100 Cowgirls have been selected to the Academic All-Big 12 team to set a program record for the most honorees during a nine-year stretch.

OSU is the only Big 12 softball program to have at least 10 Academic All-Big 12 selections in each of the past eight seasons.

Oklahoma State softball has a long history of academic excellence. Since 1984, OSU has produced 266 academic All-Conference honorees. Of that total, 212 have come since the Big 12 played its first softball season in 1997.
